## Taster Day at Joseph Chamberlain College

Dear Parent/Carer,

Your child is invited to attend a 'Taster Day' at Joseph Chamberlain College. This is a fantastic opportunity for pupils to experience subjects at a college level and to see the differences between secondary and further education. This trip will be very beneficial for pupils when they need to make their decisions about which pathway they will take when deciding on their post-16 options. Your child was provided with the chance to choose the 4 subjects they would like to try, if they didn't complete this survey then the courses will be automatically designated.
