Year 11 History Day Trip to London

Dear Parent/Carer,

Part of your child's History course is a historical environment study which is part of Elizabethan England topic. It is worth 10% of the whole GCSE. The History department is running an external study visit to the National Maritime Museum in Greenwich and Southwark, London as the historical environment for 2024 is the Americas and Drake's circumnavigation, 1577-1580.

The aim to develop students understanding of Francis Drake and his voyages which contributed towards the Elizabethan Golden Age. Students will be able to learn about Drake throughout the museum and we will then take a boat trip to see a replica of Drake's Golden Hind ship. We will then be exploring Elizabethan London in the surrounding area including landmarks such as the Globe Theatre.

This experience will help pupils gain a real-time understanding the historical environment and support your child's knowledge and understanding for their History exam.
