Year 11 Geography Intervention Sessions

Dear Parent/Carer,

Following the recent data collection of the Year 11 GCSE mock exam series, the Geography department is putting some interventions in place with small groups, to help support specific students in reaching their target grade and beyond.

We would like to invite your child to attend, for a tailored revision session to suit their needs. Upon their arrival to school for the morning sessions, they will be required to sign-in in Reception, using the "Breakfast Club" option.

Your child can choose to attend a number of revision sessions that work best for them. These are outlined below:

Mr Djordjic – E154	Miss Gilbert – E155	Mr Martin – E355
Thursday 8-8:30am Friday 1:30-2:30pm	Tuesday 8-8:30am Wednesday 2:30-3pm	Thursday 8-8:30am Tuesday 2:30-3pm

In order to support your child at home, please ensure they have the following resources:

- Purple Pearson revision guide and/or workbook
- CGP Revision Workbook
- 2 sets of knowledge cards – one set for **Physical Geography** and one set for **Human Geography** – these will also be sent out via Class Charts
- Completion of fortnightly homework on Class Charts

If any of these resources are missing, please remind your child to ask one of their Geography teachers for a replacement.

We strongly recommend your child attends these sessions, as added one-to-one support will help them make progress.

Thank you for your continued support,

Yours faithfully,

S Djordjic

Mr S Djordjic
