

Weekly Bulletin

20 November 2023 - 24 November 2023

Important Dates	
27 November-8 December	<u>Year 11 Winter Mock Exams</u>
29 November	Year 8 Parents' Evening
11 December-14 December	<u>Year 11 Creative Design Practical Mock Exams - Week 2</u>
21 December	Year 9 Options Information Session
22 December	Staff Training Day & End of Autumn Term (School Closed to Pupils)

Upcoming Year 11 Mock Exams

The following mock exams are scheduled for Year 11 pupils in the coming weeks. We encourage parents to support their children's preparation by reviewing the provided study materials together. These mock exams are an important opportunity for pupils to measure their progress and identify areas for additional focus in preparation for their GCSEs in May:

- 27 November 2023 to 8 December 2023 - Winter Mock Exams
- 11 December 2023 to 14 December 2023 - Creative Design Practical Mock Exams (Week 2)

For more information, please visit <https://www.hodgehill.bham.sch.uk/exams>.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide. Previous support has included supermarket vouchers, new uniform, school shoes and PE kit.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Parents' Evening is very important for all parents/carers, students and teachers. The evening will provide teachers with an opportunity to discuss your child's academic progress and crucially give advice on suggested next steps to secure further improvements.

We place a huge emphasis on working in partnership with families and, therefore, you must take this opportunity to discuss with teachers how your child is performing in relation to their potential and what could be done together to further support your child.

All students will be given their latest report during the evening and this should form the basis for discussion around attainment and effort. Teaching staff will be available from 3.30pm and 6.30pm to meet with you.

Please note: if you wish to see all of your child's teachers, please allow at least an hour and a half and arrive no later than 5.00pm.

Is my child too ill for school?

We know that, at this time of year, children pick up winter bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

Getting your child to school really matters

**102,000 children
starting school in
England are at risk
of catching measles**

**Check your child is up
to date with their
MMR vaccinations**

Over 102,000 children starting primary school in England are at risk of catching measles.

With millions of children across the country going back to school this week, NHS England is urging parents to check that their children are up to date with their MMR (Measles, Mumps and Rubella) vaccinations in the wake of measles cases rising across the country.

Childhood vaccination rates have fallen over the past ten years and this week statistics show that over 102,000 children aged four and five years old starting in reception are not protected against catching measles, mumps and rubella.

Measles is highly infectious and if left unvaccinated nine out of ten children in a classroom can catch the disease if just one child is infectious.

If you are unsure if you or your child are up to date, check your child's red book or GP records and make an appointment to catch up any missed doses.

For more information on the NHS vaccination schedule, please [visit](#).

Contact Details

Please remember to inform the school of any changes to your contact details. This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event. Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broad their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

Uniform Donations

As the new school year begins, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to students who would greatly benefit from them. Even a single donated item can make a significant difference.

Please make sure to wash the uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip students whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn in the new school year.

Medication

It is the responsibility of parents/carers to provide the school with sufficient and up-to-date information about their child's medical needs and be involved in developing and reviewing their child's individual healthcare plan.

If your child has any medical needs or is required to take medication during school hours and you are yet to inform us of them, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication you would like us to keep in school.

If your child has asthma, we advise that they always carry an inhaler on them. Please drop an inhaler at School Office for us to keep in case of emergency and complete the consent form.

Medical Appointments During the School Day

To ensure your child does not miss out on learning, we strongly advise that non-urgent appointments at the GP, dentist or optometrist are made out of school hours.

If your child has a hospital or specialist appointment, please notify the school in advance. You may do this by sending a photo of the letter via MyEd or bring it to the School Office where a copy will be sent to your child's AC and AAC for authorisation.

School Policies

We would like to inform you that some changes have been made to the following school policies. We kindly request that you take a moment to read through them:

- [Behaviour for Learning Policy](#)
- [Attendance Policy](#)
- [Safeguarding & Child Protection Policy](#)

Reading at School

Hodge Hill College offers a unique reading lesson to students in Years 7 and 8, where they acquire new vocabulary, read together as a class, and engage in various activities to ensure comprehension. Our school is dedicated to increasing reading in all subjects, with a particular focus on Key Stage 3. We have also implemented a Reading Reward badge on Class Charts to recognise students' reading efforts in all classrooms. Moreover, our school has an impressive library with books categorised by genre, including ones that celebrate diverse cultures, sci-fi and horror, dystopian novels, and non-fiction books.

Reading at Home

We kindly request your assistance in promoting reading at home by encouraging your child to read more. Allow them to choose what to read as they will be more engaged in the story if they have selected it themselves. Reading with them, listening to them reading, and reading to them are all effective ways to foster a love for reading. Additionally, incorporating reading into everyday activities such as having your child read out the recipe while you cook or the TV listings while you watch TV is a great way to encourage reading. You can also read yourself, whether it's a newspaper, magazine, cookbook, poetry, romance or detective novel. Consider giving books as presents and suggest your child and their friends swap books to read new stories and discuss them. Finally, visiting the local library together is an enjoyable way to discover new books and keep an eye out for special author events at the library or local bookshops. Your child will undoubtedly love meeting their favourite authors.

Sixteen-year-old Marlon has made his mum a promise - he'll never follow his big brother, Andre, down the wrong path. So far, it's been easy, but when a date ends in tragedy, Marlon finds himself hunted.

Year 11 After-school Tuition

As Year 11 pupils prepare for their important GCSE exams, we are pleased to offer after-school tuition sessions on Thursday afternoons from 2:40pm-3:30pm. Our teachers have designed these bespoke sessions to equip pupils with the skills and knowledge needed for exam success.

Regular participation in these sessions will give pupils that extra push when it matters most. We would like to see every pupil reach their full academic potential and achieve the strongest exam results possible.

Attendance at Thursday's after-school tuition is compulsory for all Year 11s. Please support your child by ensuring they attend each week.

This term's tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

B.Y.O.B - Bring Your Own Bottle

Reusable water bottles with straws are now available to purchase via ParentPay for £3.50 each (while stocks last).

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

What Parents & Carers Need to Know about SMART TVs

WHAT ARE THE RISKS?

AGE-INAPPROPRIATE CONTENT

From Netflix to Disney+ to Prime Video, there is a plethora of streaming services available. While these services offer content catering for younger viewers, they also provide material for more mature audiences. If you don't have parental controls set up on your accounts, your child could find themselves being exposed to shows and movies with adult themes, strong language and violence.

INCREASED SCREEN TIME

The array of content available through smart TVs could lead to your child spending excessive amounts of time in front of the screen. Not only can prolonged screen time distract from important activities such as schoolwork or exercise, but experts have also warned that endless hours in front of the box can lead to health problems including obesity, poor sleeping patterns and depression.

REMOTE-CONTROL RETAIL

Like many online devices, smart TVs facilitate digital purchases: buying a new app or the latest season of a favourite show, for example. If your child has access to a bank card and isn't restricted by spending controls on the system, they could run up a sizeable bill through a smart TV fairly quickly – especially if they're not quite old enough to fully appreciate the value of money.

UNCONVINCING SECURITY

As Internet of Things (IoT) devices, smart TVs can be uniquely vulnerable to attack. Experts warn that internet-enabled TVs tend not to support high-level security software, so you won't always be able to download strong antivirus programmes like you would on a phone or computer. Being targeted by hackers could be deeply upsetting for your child, as well as putting their personal data at risk.

A SILENT SPY?

Some smart TVs already collect data on users' viewing habits and then display targeted advertising based on that personal information – while there have also been reports of internet-enabled TVs (and the apps installed on them) being used to 'eavesdrop' on owners. In models with a built-in microphone (for voice activation), third parties could potentially listen in on someone's home life.

CONTACT FROM STRANGERS

Many smart TVs can be used for web browsing, social media and live streaming – all of which could allow unknown users to contact your child (or vice versa). If your child engages with these functions of the TV, a stranger could potentially discover their contact information and potentially then use it to obtain even more sensitive personal details, such as your home address.

Advice for Parents & Carers

MAKE IT A FAMILY THING

Family TV time is a great way to model the responsible enjoyment of technology – showing your child how to use the smart TV safely for when they're old enough to watch it independently. You could also take this opportunity to establish some healthy TV boundaries, such as time limits on their daily viewing or how to make sure they're only watching content that's appropriate for their age.

SET UP PARENTAL CONTROLS

It's likely that your smart TV has built-in parental controls, which not only let you filter out age-inappropriate shows, movies and games but can also restrict in-app purchasing, so your child can't accidentally spend money through the device. When you've enabled these safeguards, have an open conversation with your child about the reasons, helping them to understand the potential risks.

CREATE CHILD PROFILES

Much like with smartphones and tablets, apps can be downloaded onto smart TVs: from free content platforms such as BBC iPlayer to paid-for services like Prime Video. Most of these apps allow you to create a separate account for your child which has different settings to your own – suggesting more child-friendly material and reducing the possibility of them viewing explicit content.

CONSIDER THE LOCATION

If you're concerned about the online safety hazards that a smart TV might pose to your child, you could consider where in your home you put the device. The safest option would be to place the smart TV in a shared family space – so that an adult is usually nearby and able to supervise while your child's watching it – rather than in the relative privacy of a bedroom.

ParentPay

Cashless Payments

We operate a biometric cashless catering system in school. In addition to school meals, we do not accept cash payments for trips or uniform (ties, badges and hijabs).

Activation

If you are yet to activate your ParentPay account, please do so as soon as possible. If you would like another copy of the activation letter with your username and password, please call us on 0121 783 7807 or send a message via MyEd.

Outstanding Balances

If you have an outstanding balance on ParentPay for your child, we would appreciate if you could arrange for it to be paid immediately by logging into your account.

If you would like assistance with activating your account or adding credit, please visit the School Office between the following times (term-time only) along with your debit card:

- Tuesday to Thursday: 3:00pm-4:00pm

Free School Meals

Who is eligible for Free School Meals?

Your child may be able to get free school meals if you get any of the following:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Apply for Free School Meals

We encourage you to apply for Free School Meals through the online service found on our website: www.hodgehill.bham.sch.uk/freeschoolmeals. You can also telephone (0121 783 7807) or come into school and complete a Free School Meals application online with a member of staff if you prefer.

Please make sure you have the National Insurance Number with you for the named person who receives either working tax credit/child tax credit and we will be happy to help.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.
