Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Times Tables Rock Stars

Some students have played on a very out-of-date version of Times Tables Rock Stars in the last 7 days. They must use the latest versions of the app and website to ensure they receive the most secure, feature-rich and enjoyable experience of Times Tables Rock Stars. Some of the versions are so far behind that they're missing out on key updates. If using the website at home, please visit play.ttrockstars.com/reset to load the latest version in their device's browser. Otherwise, update the Times Tables Rock Stars app from the app store.

Hodge Hill College Food Bank

As the cost of living and food prices continue rising, we want to support our pupils' families. That's why we've set up a food bank specifically for families of students who attend Hodge Hill College.

Our Year 9 pupil leaders have already begun collecting donated items for the food bank. We've also successfully obtained funding from Birmingham City Council to supplement these donations. This will allow us to provide food parcels similar to those offered by community food banks.

If you are interested in receiving a food parcel, please email householdsupport@hodgehill.bham.sch.uk and include:

- Your full name and contact phone number
- Your child(ren)'s full name(s) and date(s) of birth
- The number of adults and children in your household

Please note that we may not be able to fulfill all requests. If your request is approved, we will contact you to arrange food parcel pickup details.

If you have any other questions, please email the address above. We will respond as soon as possible.

We hope this food bank eases financial stress and helps provide nutrition during this difficult economic climate. Please don't hesitate to inquire if you could benefit from our support.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide. Previous support has included supermarket vouchers, new uniform, school shoes and PE kit.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

As the new school year begins, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to students who would greatly benefit from them. Even a single donated item can make a significant difference.

Please make sure to wash the uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip students whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn in the new school year.

Year 11 After-school Tuition

As Year 11 pupils prepare for their important GCSE exams, we are pleased to offer after-school tuition sessions on Thursday afternoons from 2:40pm-3:30pm. Our teachers have designed these bespoke sessions to equip pupils with the skills and knowledge needed for exam success.

Regular participation in these sessions will give pupils that extra push when it matters most. We would like to see every pupil reach their full academic potential and achieve the strongest exam results possible.

Attendance at Thursday's after-school tuition is compulsory for all Year 11s. Please support your child by ensuring they attend each week.

This term's tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

B.Y.O.B - Bring Your Own Bottle

As part of our sustainability efforts to reduce waste, single-use plastic cups are no longer provided at school. Instead, all pupils are now required to bring their own reusable water bottles.

Having a reusable bottle is important for both health and environmental reasons. Staying hydrated helps pupils concentrate better, and bottles can be easily refilled at our water stations during breaks, and by using reusable options instead, we can significantly lower our plastic consumption.

To make the transition easier, we are making reusable water bottles with straws available for purchase via ParentPay for £3.50 each, while supplies last. Your child is welcome to bring any reusable bottle they may already have at home too, such as aluminium, stainless steel, or BPA-free plastic, as long as it has a sealable lid.

Please make sure all bottles are clearly labelled with your child's name.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

What Schools Need to Know about THE ONLINE SAFETY ACT

The Online Safety Act was passed into UK law in October 2023, with the aim of establishing major new layers of protection for children when they're online. The government has pledged "a zero-tolerance approach to protecting children from online harm" – and the act certainly includes more powerful legislation which should help to safeguard young people in the digital world. Our guide summarises the key points for schools ...

WHAT THE ACT WILL DO

HARMFUL CONTENT

Social media sites must rapidly remove illegal and/or harmful content such as bullying or harassing comments; pornography; and content that supports extremist activity or encourages or depicts violence, suicide, self harm or eating disorders. If they fail to do so, they can be fined up to 10% of their global revenue while their executives may even face jail time.

ANIMAL CRUELTY

Content featuring cruelty to animals is now prohibited, even if it originates from abroad (where the law may be different). Again, it is the platform's responsibility to remove this.

MORE TRANSPARENCY

Sites must be transparent about the hazards that any children using them could encounter – by publishing risk assessments for their platforms, for instance.

HOSTING MISLEADING ADVERTS

Scams and fraudulent adverts must be blocked or removed, or the hosting companies are liable to be fined.

NON-CONSENSUAL SHARING

It's now easier to convict online abusers or people who share intimate images without consent, while legislation on the criminality of deepfakes has been clarified. The new laws also relate to any individuals who even threaten to share such images. This should help to protect women and girls in particular online.

REPORTING AND FILTERING

Sites should have easy reporting mechanisms for children (or their parents and carers) to flag up problems quickly. They must also provide options to filter out unwanted content.

AGE-RESTRICTED MATERIAL

Sites must prevent children from accessing age-inappropriate material. This includes enforcing age limits and implementing robust age verification.

What this means for you

The act has some specific implications for schools: it's essential that leaders understand the new legislation's scope and limitations. The act is certainly a positive step, but as artificial intelligence and other advances in tech continue to produce new challenges, schools will still need to remain extremely vigilant.

KNOW WHERE TO GET HELP

Look out for the Code of Conduct that Ofcom is creating in response to the Online Safety Act. Note that the new legislation doesn't mean an instant change: many of its elements will only come into force at the end of 2023. An Ofcom consultation on 'protecting people from illegal harms online' will be running until February 2024.

REMEMBER THE ESSENTIALS

Remain mindful of your organisation's own online activities: the legal duty for schools to maintain appropriate software monitoring and filtering, for example, will not change.

WATCH FOR FUTURE DEVELOPMENTS

There are some issues on which the legislation remains less clear for now: whether it's possible for Ofcom to scan encrypted private messages (such as on WhatsApp) has yet to be resolved, for instance – making this an area where, for the moment, young people have less legal protection.

UNDERSTAND AND EXPLAIN

Staff should learn how to raise concerns with tech companies whose platforms contain anything upsetting or unpleasant. Students also need to be made aware of the newly strengthened laws relating to cyber-bullying, sexting or posting inappropriate content. Young people do make mistakes online – so the clearer their understanding of the possible consequences, the better.

ENGAGE WITH PARENTS

Schools should also explain to parents and carers the new possibilities that the Online Safety Act affords them in terms of protecting their children. Many parents may have previously felt that there was little they could do about changing online platforms' content; they now have a far greater level of support when complaining about a company or the behaviour of an individual.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.
