Is my child too ill for school?

We know that, at this time of year, children pick up winter bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Zero Tolerance

Please note that Hodge Hill College operates a zero tolerance policy with regard to verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

What Children & Young People Need to Know about **FREE SPEECH VS HATE SPEECH**

Everyone in the UK has the right of "freedom of expression". That's the right to voice your opinions and share information and ideas with others. It's *not* the right to say whatever you want without regard for others' feelings and values. We all have a responsibility to use this right properly: being respectful and inclusive to those around us, rather than making offensive and threatening remarks. That's called 'hate speech' and knowing the difference is incredibly important.

Free speech is a person's legal right to share information, opinions and ideas without fear of retaliation, censorship or legal consequences. This freedom of expression is recognised in international human rights legislation, and here's what it does for us in our day-to-day lives...

The Human Rights Act 1988 states that everyone has the right to express themselves freely – even if their views are unpopular and might offend others.

Freedom of expression encourages listening to others and allowing opposing views to be heard. It's important to respect someone's opinion, even if we disagree with it. Free speech lets us engage in meaningful discussions with people who feel differently.

Any concept could potentially offend someone. Galileo's theories were incredibly offensive to many at the time, while not everyone agrees with Darwin, even today. A frequent exchange of ideas is vitally important for a healthy society.

Free speech allows us to engage people we disagree with in a debate. The ability to challenge others' views is healthy – while having *ours* challenged helps us learn how to deal with criticism and think deeply about what we say and believe.

Freedom of expression includes the right not to do something, like not standing up for – or singing – the national anthem. Even though some people would find that offensive, it isn't illegal. By law, nobody can force you to say anything you don't want to.

Free speech is a powerful tool for change, justice and reform. Many modern UK rights – such as women being allowed to vote, decent working conditions or same-sex marriage – couldn't have been achieved without it.

Hate speech refers to any communication – like talking, texting or posting online – that negatively targets a group or an individual because they are perceived to be different in some way. Demonising and dehumanising statements, threats, identity-based insults, offensive name-calling and slurs would all count as hate speech. Here are some common forms it takes...

Targeting people or groups because of a protected characteristic – like race, gender identity, sexuality, nationality, religion or a disability – and verbally abusing them with slurs and name-calling. The Equality Act 2010 has more information on this.

Content that dehumanises people based on the same characteristics: referring to them as if they were animals, objects or other non-human entities, for example. Separating the target from other human beings is usually an attempt to justify the speaker's bigotry.

Calling for violence or hatred against certain people or groups and justifying and glorifying those actions. Suggesting that a certain group should be removed from society could be seen as a call to arms, for example – potentially putting people from that group in danger.

Claiming that specific types of people are physically, mentally or morally inferior (or even that they are criminals) to encourage others to view them in the same way. This kind of thinking is always incorrect – but can be incredibly harmful to the group in question.

Spreading damaging misinformation about a person or group that the speaker views as "different" – essentially, trying to turn others against them by lying. Someone might claim that a recent tragedy is the fault of this entire group, when this is simply not possible.

Promoting the segregation of certain groups, or discrimination against them, because of who they are. This has been illegal in the UK for a long time – but some people still try to promote the exclusion of others, which can cause a huge amount of distress.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the Main Office after school on the same day. If they cannot collect it on the same day, the parent/carer must pick it up on another day after school. Pupils are not permitted to collect the item.

Contact Details

Please remember to inform the school of any changes to your contact details. This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event. Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide. Previous support has included supermarket vouchers, new uniform, school shoes and PE kit.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

As the new school year begins, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to students who would greatly benefit from them. Even a single donated item can make a significant difference.

Please make sure to wash the uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip students whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn in the new school year.

Year 11 After-school Tuition

As Year 11 pupils prepare for their important GCSE exams, we are pleased to offer after-school tuition sessions on Thursday afternoons from 2:40pm-3:30pm. Our teachers have designed these bespoke sessions to equip pupils with the skills and knowledge needed for exam success.

Regular participation in these sessions will give pupils that extra push when it matters most. We would like to see every pupil reach their full academic potential and achieve the strongest exam results possible.

Attendance at Thursday's after-school tuition is compulsory for all Year 11s. Please support your child by ensuring they attend each week.

This term's tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

B.Y.O.B - Bring Your Own Bottle

As part of our sustainability efforts to reduce waste, single-use plastic cups are no longer provided at school. Instead, all pupils are now required to bring their own reusable water bottles.

Having a reusable bottle is important for both health and environmental reasons. Staying hydrated helps pupils concentrate better, and bottles can be easily refilled at our water stations during breaks, and by using reusable options instead, we can significantly lower our plastic consumption.

To make the transition easier, we are making reusable water bottles with straws available for purchase via ParentPay for £3.50 each, while supplies last. Your child is welcome to bring any reusable bottle they may already have at home too, such as aluminium, stainless steel, or BPA-free plastic, as long as it has a sealable lid.

Please make sure all bottles are clearly labelled with your child's name.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.
