Cost of School Meals and the Associated Tariffs

After careful consideration and consultation with our catering company, ABM Catering, we have decided to increase the cost of school meals and associated tariffs.

We understand that this decision will have an impact on family budgets, but we have worked closely with ABM Catering to minimise the impact, particularly on the price of the Meal Deal. Due to unprecedented increases in food, fuel and labor costs, we can no longer sustain the current tariff.

We have held our price for school meals at Hodge Hill College successfully for a few years now, but cost pressures mean that it will increase to £2.60.

We have taken great care to reach a solution that remains cost-effective for all students and staff.

Free School Meal Daily Allowance

We are pleased to announce that the Free School Meal daily allowance has also been increased to £2.60.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide. Previous support has included supermarket vouchers, new uniform, school shoes and PE kit.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Help in Brum - Cost of Living Crisis

The cost of living crisis is impacting people across Birmingham and we know this is a worrying time for many families. On each page of [this](#) booklet, you'll find useful organisations that can offer support if you are affected by the increased costs of living.

Uniform Donations

As the new school year begins, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to students who would greatly benefit from them. Even a single donated item can make a significant difference.

Please make sure to wash the uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip students whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn in the new school year.

What Parents & Carers Need to Know about ONLINE DATING & RELATIONSHIPS

WHAT ARE THE RISKS?

ONLINE GROOMING

Online grooming is when someone forms a connection with a child in the digital world and carefully cultivates this relationship with the intention of manipulating the child into doing something sexual or illegal. The process involves gaining the young person's confidence – which can make them far less likely to tell a trusted adult about their new online 'friend', or to recognise what is even happening.

WEBCAM BLACKMAIL

Some young people have been coaxed into getting nude or semi-nude on a video chat with someone they met on a dating platform. They're then told that, unless they hand over a certain amount of money, a recording of the video will be posted online (or possibly sent to their contacts). This can be hugely traumatic for a young person and, in extreme cases, has resulted in self-harm and even suicide.

DAMAGE TO SELF ESTEEM

Many dating platforms encourage users to rate the images that people upload; this has clear potential to negatively impact a young person's self esteem. On some apps, pictures of a user's face and body can be rated anonymously, with notifications informing them if someone has then declined to match with them. This form of rejection can feel extremely hurtful and degrading.

Most online dating apps claim to be for over-18s only but, in some cases, relaxed age verification also allows children to access them. What's more, some popular social media platforms use similar design features to many dating sites – blurring the line between why a young person initially downloads an app and what they actually end up using it for.

CATFISHING AND SCAMS

Creating a false identity to deliberately lure people into a relationship (whether romantic or platonic) online is known as catfishing. Commonly, someone pretends to share interests or beliefs with their victim and gradually gains their trust. A young person's feelings for this fake 'friend' may cloud their judgement and can lead to them surrendering money, personal images, passwords and so on.

STALKING AND HARASSMENT

Stalking is obsessive behaviour by a fixated individual which disrupts their victim's life; it can bring severe distress and even the fear of violence. There have been frequent reports of stalking cases that originated on dating apps, with perpetrators creating new accounts in response to being reported or blocked. It's a particular cause for concern if a young person has ever given out personal details (such as their street or school name) online.

Advice for Parents & Carers

KEEP THE CONVERSATION GOING

Reassure your child that they can always talk to you about anything online that's worried them. Emphasise that if they're being sent unwanted images – or if they've shared images or video content themselves – they should tell you straight away. Discuss the potential risks of online dating and check in with them frequently to ensure that they're feeling comfortable about their online relationships.

TAKE A 'SAFETY FIRST' STANDPOINT

Encourage young people to be careful about who they send invitations to – and accept them from – on dating sites and apps. Familiarise yourself with how to adjust the privacy settings on your child's devices and apps to help them control who can access their profiles and information. Talk to your child about why it's unwise to share any sensitive, private or confidential information in their profile.

PROTECT CONTACT DETAILS

If a young person is interested in using online dating sites or apps, strongly encourage them to choose one that offers the facility to conceal both parties' email addresses when messaging prospective dates. If that's not possible, ensure that the young person sets up a separate email address which doesn't include their real name. This is easy to do via providers like Hotmail, Yahoo! Mail or gmail.

HIGHLIGHT COMMON DANGER SIGNS

Talk to your child about some of the obvious red flags in online dating: requests for money, for instance, should always ring alarm bells. Likewise, if a young person is in contact with someone who they feel is pressuring them into providing personal or financial information – or who they suspect is trying to trick them into it – they should end communication immediately and contact the dating service provider.

#WakeUpWednesday

School Office & Telephone Line Opening Hours (Term Time Only)

A polite reminder of our School Office opening hours:

- Monday to Thursday: 8:00am-4:45pm
- Friday: 8:00am-2:30pm

Our phone lines are open during these hours except on a Friday when the lines close at 3pm.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at this time of year, children pick up winter bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details. This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event. Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the Main Office after school on the same day. If they cannot collect it on the same day, the parent/carers must pick it up on another day after school. Pupils are not permitted to collect the item.

SAFER GAMING

TOP TIPS FOR PARENTS AND CARERS

1

Encourage your child to enjoy both online and offline activities. **Remind them to take breaks for a healthy lifestyle.**

2

Get your child involved in talking about the PEGI age rating system and how it can shape their gaming choices. **Check out www.pegi.info for games suitable for their age.**

3

Create a kind and caring online environment for your child. **Discuss the importance of being respectful to others, both online and offline.**

4

Help your child understand the importance of keeping personal information safe and using strong passwords. **Have fun chats about staying safe online and why privacy matters.**

5

Keep up with what they're doing while gaming to make sure they're safe online. **Have a chat about in-game items like microtransactions and loot boxes.**

6

Encourage them to speak up about anything worrying online and support them in staying safe. **Show your child how to use the reporting features on their games.**

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.

Year 11 After-school Tuition

As Year 11 pupils prepare for their important GCSE exams, we are pleased to offer after-school tuition sessions on Thursday afternoons from 2:40pm-3:30pm. Our teachers have designed these bespoke sessions to equip pupils with the skills and knowledge needed for exam success.

Regular participation in these sessions will give pupils that extra push when it matters most. We would like to see every pupil reach their full academic potential and achieve the strongest exam results possible.

Attendance at Thursday's after-school tuition is compulsory for all Year 11s. Please support your child by ensuring they attend each week.

This term's tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.
