RAAC Update & Entry/Exit via the Top Gate

We have been working with Birmingham City Council and the Department for Education (DfE) and it has been confirmed that the school remains safe in all areas apart from those where RAAC is present. The impacted areas included North and East Halls, East kitchen, four classrooms in East Building and two in West Building.

The Department for Education's guidance is that any areas where RAAC is present will need further, detailed surveys and pupils should not be in affected areas until these surveys have been completed and any necessary mitigations are in place. These are ongoing and I will communicate with you further when the works are complete.

As part of the mitigation works, six temporary classrooms are being provided on-site and work to install these is scheduled to take place beginning on the 1 July 2024 and lasting until August 2024. The temporary classrooms will be ready for pupil use by the start of the next academic year in September 2024.

From Monday 1 July 2024 until the end of the summer term, all pupils in Years 8 to 11 will need to enter and exit the school site via the 'Top Gate'. Due to construction traffic, the 'Technology Gate' will remain shut to pupils for health and safety purposes.

Please can we ask that you be considerate with parking when dropping and collecting your child from school and do not block residents' drives or park on the yellow zig-zag markings. Wherever possible, please can you encourage your child to walk to and from school to help relieve traffic pressures on Bromford Road.

If you would like to know more about the support to schools to safely manage RAAC, the Department for Education has published an article which is available at <https://educationhub.blog.gov.uk/2023/10/19/new-guidance-on-raac-in-education-settings/>.

We will continue to work closely with Birmingham City Council to get all teaching spaces back into use safely and will communicate with you further when these works are complete.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum. This needs to be brought into school every day in a school bag to ensure it is kept safe. Pupils without a bag have been provided with one. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash). If your child is in Years 8-10 and needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless). If your child is in Year 11, they can obtain one from Mrs Millington. Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.50.

Role of Parents

Important Reminder: Changes to School Day Timings from September 2024

We are committed to providing the best educational experience for our pupils. With this in mind, we would like to gently remind you of some changes to the school day timings that will take effect from September 2024. The Department for Education has set a new minimum expectation of a 32.5-hour school week. To meet this requirement, Hodge Hill College will return to our pre-Covid start and finish times, as follows: <https://bit.ly/3Uj11Vb>.

New Year 11 Mock Exams

New Year 11 mock exams began on Wednesday 19 June 2024. The full timetable is available to view at <https://www.hodgehill.bham.sch.uk/exams>.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details. This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event. Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day. If they cannot collect it on the same day, the parent/carers must pick it up on another day after school. Pupils are not permitted to collect the item.

10 Top Tips for Parents and Educators

FAIR PLAY AND FRIENDLY COMPETITION

In school sports, fair play and friendly competition are important for character development. Fair play embodies respect and integrity while good-natured competition balances rivalry with camaraderie. This guide addresses potential challenges — like the pressure to win — and offers practical tips on instilling values of fair play and cultivating a positive sporting environment for young athletes.

1 LEAD BY EXAMPLE

Parents, carers and teachers should try to exemplify fair play: demonstrating respect for opponents, coaches and officials. Children frequently learn by observing adult behaviour, so displaying a sense of fair play sets a powerful precedent for them to follow in their own actions on and off the field.

2 EFFORT OVER OUTCOME

Encourage children to focus on giving it their all, rather than basing their entire performance on whether they win or not. This fosters a growth mindset, where the journey and the process of improvement are valued just as much as the end result. It also reduces the pressure to “win at all costs”, which can be a harmful outlook in some situations.

3 SET CLEAR EXPECTATIONS

Establish clear guidelines and expectations for behaviour before, during and after sporting events. Ensuring that children understand what is considered acceptable conduct helps prevent misunderstandings and promotes a positive, respectful atmosphere.

4 HIGHLIGHT COOPERATION

Underline the value of teamwork and cooperation in achieving success. Success isn't just about individual achievements, but about how well the team communicates, encourages each other and works together towards a common goal. A strong focus on cooperation fosters camaraderie and mutual support among players.

5 DISCUSS ACCEPTING DEFEAT

Help children to understand that they can't win every contest — that losing occasionally is a natural part of both sport and life in general. Teaching them to accept defeat gracefully and learn from their mistakes promotes resilience, humility and the ability to bounce back stronger from setbacks. Taking a loss in one's stride is also an admirable trait and can help children and young people garner respect in their future life.

6 ENCOURAGE INCLUSIVE PARTICIPATION

Promote an environment where all children feel welcome and valued, regardless of their skill level. Prioritise the importance of participation and enjoyment over winning, creating a supportive atmosphere where every child can thrive and develop their abilities without unnecessary pressure.

7 FOSTER CONFLICT RESOLUTION SKILLS

Teach children how to resolve conflicts peacefully and respectfully, both on and off the field. Providing them with strategies for effective communication and problem-solving helps build stronger relationships and enhances their ability to navigate challenges, which can be a huge boon to them throughout their adult lives.

8 TEACH RESPECT

Emphasise to children the importance of respecting everyone involved in the game, regardless of the outcome. Respect for your teammates, opponents, coaches and officials helps to create a positive, inclusive sports environment where everyone can feel valued and appreciated.

9 GIVE CONSTRUCTIVE FEEDBACK

Offer feedback that focuses on areas for improvement rather than unfiltered criticism. Praise what a child has done well and advise on how to improve, rather than simply pointing out shortcomings. Encouraging a growth mindset and highlighting progress helps children to develop confidence, resilience and a desire to continue striving for excellence.

10 CELEBRATE GOOD SPORTSMANSHIP

Try to avoid solely drawing attention to children's physical performance on the field. Recognise and celebrate acts of sportsmanship, fair play and kindness, too. By spotlighting positive behaviour, you reinforce the importance of such conduct and inspire children to practise this in the future, creating a culture of respect and camaraderie within the sports community that does wonders for morale.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broad their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

Food Bank Donations Welcome

A graphic for Hodge Hill College's Food Bank. At the top, the college's logo 'HH Hodge Hill College' is displayed. Below it, the words 'H O D G E H I L L C O L L E G E' are written in a spaced-out font, followed by 'FOOD BANK' in large, bold, red letters, and 'Donations Welcome' in orange. A paragraph states: 'At Hodge Hill College, we have established a food bank specifically for the families of our pupils in light of rising food prices and the cost of living. We welcome the following donations:'. Below this, a list of items is provided: 'Pasta | Rice | Cereal | Soup | Tinned Vegetables | Tinned Fruit | Tinned Fish'. At the bottom, there is an illustration of various food items on a wooden shelf, including cans of Baked Beans, Sweet Corn, Tomato Soup, and Vegetable Soup, as well as jars of Pineapple and a container of Macaroni. The background features a stylized geometric pattern in shades of pink and orange.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide. Previous support has included supermarket vouchers, new uniform, school shoes and PE kit.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.
