Hodge Hill College

YEAR 8
PARENTS' EVENING

Wednesday 25 September
16:00-18:30

0121 783 7807 www.hodgehill.bham.sch.uk

Parents' Evening is a crucial event for parents, pupils, and teachers. It gives teachers the opportunity to discuss your child's academic progress and provide advice on the next steps for improvement.

We value working in partnership with families and encourage you to take this opportunity to discuss your child's performance and how we can support them further.

Pupils will receive their reports during the evening, which will be the basis for discussing their achievements and efforts. Teaching staff will be available to meet with you from 16:00 to 18:30.

If you wish to meet with all your child's teachers, please allow at least an hour and a half and try to arrive no later than 17:00.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum. This needs to be brought into school every day in a school bag to ensure it is kept safe. Pupils without a bag have been provided with one. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash). If your child is in Years 8-10 and needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless). If your child is in Year 11, they can obtain one from Mrs Millington. Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.50.

- Resources for further information on ADHD.
- Questions to panel. These talks will be delivered by
 - Community paediatricians,
 - An Educational Psychologist
 - An ADHD Nurse Specialist

If you would like to join on the day, please contact the organisers by phoning 0121 465 5431 or emailing dawnjones6@nhs.net.

Protect Your Child The Hidden Dangers of Posting Back to School Photos on Social Media

It's that time of year again. Social media feeds are filled with proud mums and dads sharing images of their children in their new school uniforms on their First Day or First Day Back.

While social media is a way to keep close family and friends updated on your children's milestones—especially if they live far away—it's crucial to remember that social media profiles aren't just limited to those we know and trust.

Here are a few things to keep in mind when sharing back-to-school photos, or any other pictures of your children, on social media as precautionary measures: <https://www.waynedenner.com/protect-your-child-the-hidden-dangers-of-posting-back-to-school-photos-on-social-media/>.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

1

First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

2

Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

3

Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broad their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

B.Y.O.B

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

Reusable water bottles are available to purchase from West Office using money on ParentPay.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account.

If you need help with adding credit to the account, please visit the School Office with your debit card.

10 Top Tips for Parents and Educators

USING AND REVIEWING PARENTAL CONTROLS

Phones and computers are essential parts of children's lives, but with unfettered internet access comes a multitude of risks. While not foolproof, parental controls can help with this; filtering out inappropriate content, limiting the ability to spend real money, capping screen time and generally making devices safer for young people.

1 KNOW THE TYPES

While parental control software can apply to an entire device, it also pays to know about options on individual apps and websites. TikTok, for example, has Restricted Mode for limiting unsuitable videos, while Snapchat lets you keep an eye on who a child has been talking to. Check the settings of any new app young users want and review your options.

2 COVER ALL DEVICES

Knowing what parental controls cover is crucial, as remaining unaware can run the risk of 'blind spots' in the device's safety measures. Controls on a phone will apply whenever a child's on that device, for instance – but you'll want to ensure that parental controls are set up across any laptops, tablets and potentially other phones, too. Remember, buying a new device may require you to set everything up again.

3 DON'T NEGLECT SHARED TECH

While children often have their own devices, if you have a shared family computer or tablet, for example, you'll need to make sure that's not a weak point in your safety measures. Parental controls for your router, that cover everything connected to your Wi-Fi, are one option – or you can just be thorough with each device and online account. Just ensure that unprotected laptops, phones and tablets are password locked.

4 CONSIDER TIME CONTROLS

Even safe internet content can be harmful if it's viewed in excess. Not only are certain apps addictive enough to distract from other duties, but late-night usage can badly disrupt sleep, which is vital for adolescent brain development. Most parental controls offer some kind of time limit – either blocking access at certain hours or capping the number of minutes it can be used per day – so be sure to consider these.

5 BLOCK APP SPENDING

Seemingly free apps can sometimes include microtransactions: purchases that can be made using real money. While plenty of developers implement these fairly, some companies attempt to manipulate children into paying for additional features or content, which can soon add up to hundreds of pounds if a child gets carried away. Thankfully, iOS and Android's settings allow you to block in-app purchases, preventing any huge bills.

6 NO CONTROLS ARE PERFECT

Parental controls can be very useful, but they're far from infallible. Some unpleasant content can and unfortunately will slip through the net, so remember that setting up these measures isn't a substitute for taking an active interest in young people's digital lives. Talk to them, and make sure they're aware of the risks of the internet as well as its benefits.

7 MIND THE GAPS

There'll undoubtedly be some gaps in parental controls, no matter how thorough you intend to be. For example, if you use router-level parental controls, bear in mind that these won't cover WiFi outside the home. For that reason, it's important to keep an open dialogue with children about the many unpalatable aspects of social media and the web.

8 KEEP THINGS SECURE

Some children can react poorly to parental controls and feel tempted to circumvent them. It's important to ensure that the passwords to these settings remain unknown to children, otherwise they can easily modify the restrictions without you knowing. Similarly, make sure your phone isn't left unlocked and unattended.

9 REVIEW CONTROLS REGULARLY

Parental controls shouldn't be a 'set and forget' deal. Not only can parental summaries provide you with a frequent overview of a child's digital life – to let you spot any warning signs – but companies often add new features, and some of these may be useful to enable (or disable). Regularly checking in ensures that if a child has found a way to wiggle out of the controls, you'll be the first to know.

10 KNOW WHEN TO LET UP

The parental controls you install on a computer for a seven-year-old probably wouldn't be appropriate for a child of 16 – and as young people approach adulthood, bubble wrapping the internet can do more harm than good. Consider relaxing parental controls as children get older, so they can learn to manage the risks of the internet themselves, without so many training wheels.

Food Bank Donations Welcome

The graphic features the Hodge Hill College logo at the top, followed by the text 'HODGE HILL COLLEGE' in a spaced-out font, and 'FOOD BANK Donations Welcome' in large, bold letters. Below this, a list of accepted donations is provided: 'Pasta | Rice | Cereal | Soup | Tinned Vegetables | Tinned Fruit | Tinned Fish'. At the bottom, there is an illustration of various food items including cans of baked beans, sweet corn, tomato soup, vegetable soup, and jars of pineapple slices, all arranged on a wooden surface.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide. Previous support has included supermarket vouchers, new uniform, school shoes and PE kit.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.
