Stranger Danger

We have been informed by West Midlands Police about an attempt to abduct a child from the Handsworth Wood/Lozells area of Birmingham which occurred on 4 December 2024.

Events like these remind us of the importance of ensuring children are aware of "stranger danger," especially when walking to and from school unaccompanied. We address this in school as part of our safeguarding measures, and today, teachers are reminding children of the basic rules to stay safe:

- Never talk to strangers
- Always ignore strangers who ask questions or tell you to do something
- Avoid walking alone whenever possible
- Speak only to trusted adults if you are concerned about anything

As parents and carers, we know you want to stay informed. We advise you to discuss these safety rules with your children, especially if they travel to and from school unaccompanied.

Thank you for your support. If you see anything suspicious in the local area, please contact the police and the school. West Midlands Police can be contacted via Live Chat at [West Midlands Police](#) between 8am and midnight or by calling 101.

Year 9 Options Information Session

HH Hodge Hill College

YEAR 9 OPTIONS INFORMATION SESSION

Friday 20 December
09:30-11:00

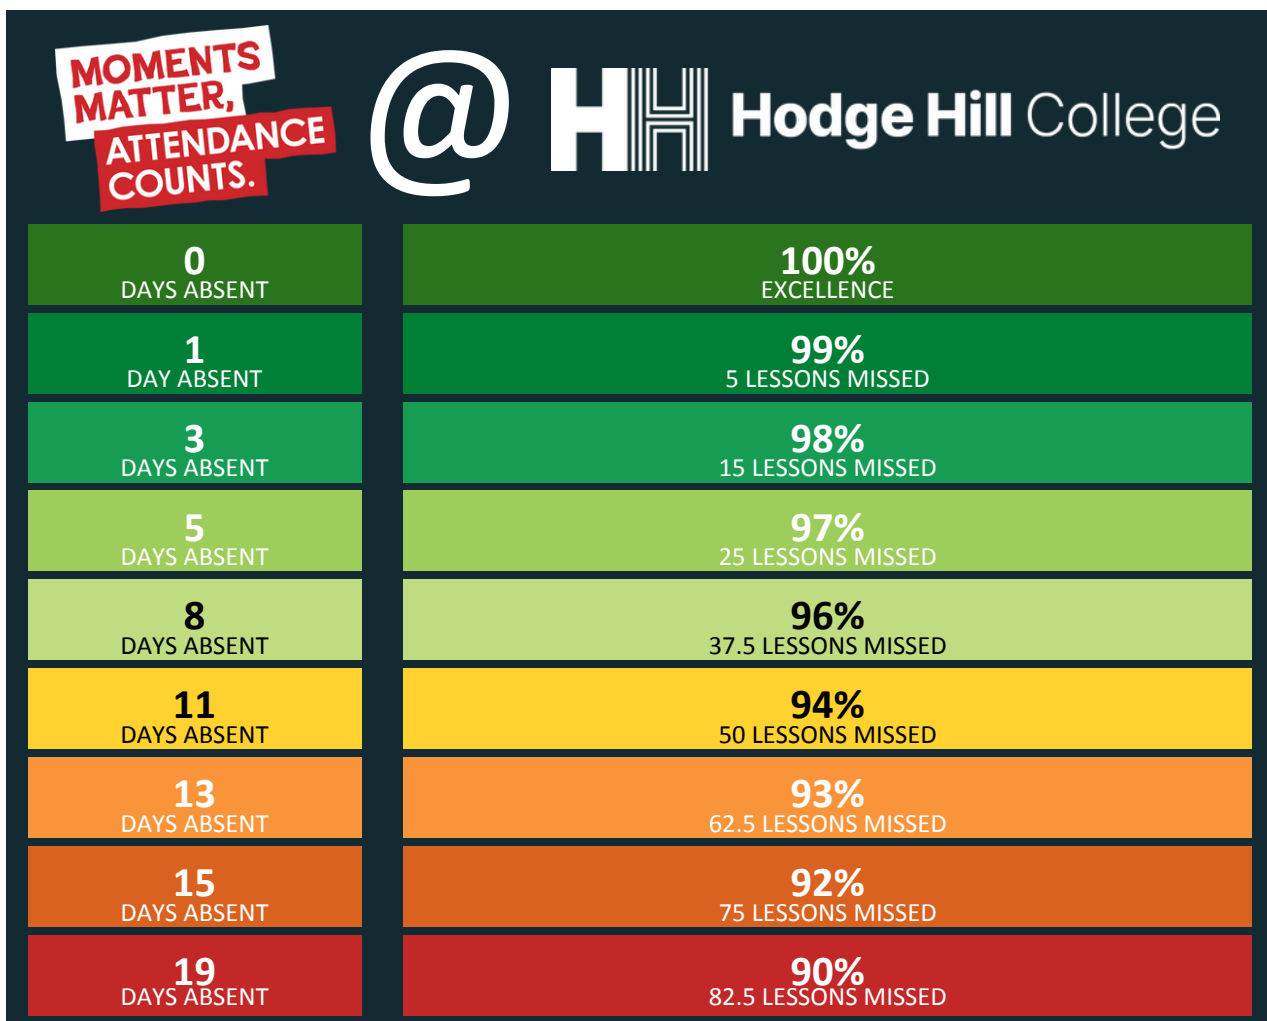

0121 783 7807  www.hodgehill.bham.sch.uk

In the new year, Year 9 pupils will begin selecting the courses they will study for their GCSEs. To assist in this process, we invite pupils and their parents/carers to come to school and learn more about the available choices.

These decisions are crucial, as pupils will be studying these subjects for two years. The choices they make now can influence the options available to them after leaving Hodge Hill College.

We require all Year 9 pupils and their parents/carers to attend on Friday 20 December 2024 from 09:30 to 11:00. Interim Reports will be available for collection in the morning.

Moments Matter, Attendance Counts

Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

1

First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

2

Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

3

Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.

10 Top Tips for Parents and Educators

TEACHING CYCLE SAFETY

Cycling is an amazing way to spend quality time together as a family, as well as keeping everyone healthy and active – and it's an excellent exercise, whatever the age of your children. Getting started can sometimes be daunting, and there are obvious safety concerns over youngsters who are still getting used to a bike – so follow our top tips to help you ride with confidence.

1 CONSIDER CYCLE TRAINING

Courses like Bikeability are extremely useful, and training in general has come a long way since cycling proficiency began; there are Bikeability courses for adults, too. Cycle training teaches invaluable skills (such as good road positioning, signalling and visibility), and can help both parents and children feel more at ease on busy streets.

2 USE A SUITABLE BIKE

Find a bike of an appropriate size for its rider and resist the temptation to have children 'grow into' theirs by buying one too large for them. A bigger bike will be heavier and more difficult to control, making accidents more likely and potentially putting youngsters off cycling forever. If your child has any specific physical needs, or has dyspraxia, then try out a trike, handcycle or other adaptive cycle to see what works best.

3 TRY A CARGO BIKE

Cargo bikes, particularly the box-bike style, are ideal for transporting small children around. Depending on the type of bike chosen – as well as the size and age of the children – it can be possible to transport up to four little ones in this way, with additional space for other cargo as well.

4 INSPECT YOUR CYCLE

It's a good idea to do some routine checks on any bike before going for a ride to make sure everything's working correctly. The 'M check' is particularly useful: assessing the condition and position of the bike's wheels, handlebars, brakes, pedals, chain and saddle, working from front to back. Online tutorial videos can also teach you how to carry out basic repairs if needed. For more complicated fixes, head to your local bike shop.

5 BRING SUITABLE GEAR

Ensure whatever you're wearing, and any attachments for your bike, are suitable for the ride. A waterproof jacket will let you cycle safely in almost any weather. Make sure any helmets are fitted correctly. If you're riding after dark, remember to fit your bikes with a white front light, a red rear light and a red rear reflector. These are required by law.

6 STICK TO FLAT TERRAIN

Take a smooth, flat route if possible, so it's more suitable for younger cyclists. You might be surprised by how many quiet roads or back streets there may be in your area. Don't be put off by an indirect but easier path as opposed to a shorter, busier one. Look out for the National Cycle Network, canal towpaths and even parks that you can cut through.

7 STAY ALERT AND IN SAFE FORMATIONS

For maximum protection and visibility, ride in a line with children in the middle and adults at either end. If you're the only adult present, take up a position at the rear to ensure all children remain in your sight. Don't be tempted to hug the kerb if cycling on the road – riding approximately a metre out will make you more noticeable to other road users, and you'll also stay clear of any debris in the gutter.

8 AVOID PARKED CARS

When riding past parked cars, try to stay at least a metre away, just in case anyone inside opens a door unexpectedly or the vehicle itself starts to move. This precaution will also deter anyone driving behind from trying to squeeze past you when there isn't enough space, so don't be afraid to ride in a prominent position.

9 START A 'BIKE BUS'

Cycling to school with other families is a potentially fun experience – one which comes with the added benefit of safety in numbers, in case anything goes wrong along the way. Team up with other parents, carers and educators and pick a day to cycle to school together. Who knows – maybe, in time, you'll have other folks asking to join you?

10 HAVE FUN!

Keep in mind that cycling should be fun! A good bike ride can be really enjoyable for adults and children alike, while also being a superb form of exercise. Ease children into the hobby by starting them off with shorter journeys – such as a trip to the park – and build them up to longer, more complicated outings. Some children may get bored on a longer ride, so try to keep a conversation going with them.

Hodge Hill College Food Bank

At Hodge Hill College, we are committed to supporting our school community.

Our food bank is available to assist families who may need extra support during challenging times. If you would like to access this service, we kindly ask you to complete the online request form, which can be found on our website <https://bit.ly/3Uxzi4X> or email us at: householdsupport@hodgehill.bham.sch.uk.

All requests are handled confidentially, and we aim to provide help as quickly as possible.

If you have any further questions or need assistance completing the form, please do not hesitate to contact the School Office. The team are here to help.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807. Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30. Any pupil who arrives after 08:40 will be considered late and marked accordingly by the staff members present at the gates. The main school gates will close at 08:40, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day. If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum. This needs to be brought into school every day in a school bag to ensure it is kept safe. Pupils without a bag have been provided with one. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash). If your child is in Years 7-10 and needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless). If your child is in Year 11, they can obtain one from Mrs Millington. Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70.

Personal Development Curriculum

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9.

Please note, that the pages linked below are updated with resources regularly.

Week commencing 9 December 2024, Year 10 and Year 11 pupils will participate in a Sex Education scheme during Tutor Time. If you have any questions or would like to discuss the content of these activities with a staff member, please email personaldevelopment@hodgehill.bham.sch.uk.

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

Reusable water bottles are available to purchase from West Office using money on ParentPay.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broad their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

Year 11 Mock Exams

The following mock exams are scheduled for Year 11 pupils in the coming weeks. We encourage parents to support their children's preparation by reviewing the provided study materials together. These assessments are an important opportunity for pupils to demonstrate their reading comprehension skills and for teachers to understand their current academic progress.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.
