Upcoming Year 11 Mock Exams

The Year 11 Spring Mock Exams are scheduled from Monday 24 February 2025 to Friday 7 March 2025. We encourage parents to support their children's preparation by reviewing the provided study materials together.

These mock exams are an important opportunity for pupils to measure their progress and identify areas for additional focus in preparation for their GCSEs in May.

For more information and the timetable, please visit <https://www.hodgehill.bham.sch.uk/exams>.

Year 9 School Leaver Booster (SLB) Vaccination

Pupils in Year 9 will receive their School Leaver Booster vaccine on 25 March 2025. The vaccinations will take place on school premises, and pupils will be required to attend school as usual. They will be called out of lessons for the vaccinations.

Parents have been sent an email containing a letter with further information and a link to give consent. Please use the link in the letter to inform the Birmingham School Age Immunisation Service (SAIS) team whether you wish for your child to receive the recommended vaccines or not. Please note that only pupils with parental consent will be vaccinated.

If you need more information about the SLB vaccine, please visit <https://www.nhs.uk/conditions/vaccinations/3-in-1-teenage-booster/>. If you need help or advice completing the consent form, please contact the Birmingham SAIS team on the phone at 0121 466 3410 or via email at bchnt.hpvtteamcentral@nhs.net.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

Hodge Hill College Food Bank

At Hodge Hill College, we are committed to supporting our school community.

Our food bank is available to assist families who may need extra support during challenging times. If you would like to access this service, we kindly ask you to complete the online request form, which can be found on our website <https://bit.ly/3Uxz4X> or email us at: householdsupport@hodgehill.bham.sch.uk.

All requests are handled confidentially, and we aim to provide help as quickly as possible.

If you have any further questions or need assistance completing the form, please do not hesitate to contact the School Office. The team are here to help.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807. Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30. Any pupil who arrives after 08:40 will be considered late and marked accordingly by the staff members present at the gates. The main school gates will close at 08:40, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day. If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum. This needs to be brought into school every day in a school bag to ensure it is kept safe. Pupils without a bag have been provided with one. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash). If your child is in Years 7-10 and needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless). If your child is in Year 11, they can obtain one from Mrs Millington. Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70.

Personal Development Curriculum

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broad their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

What Parents & Educators Need to Know about SCAMS AND FAKE NEWS

WHAT ARE THE RISKS?

"Fake news" refers to falsified or misleading material presented as a legitimate account of events. It's often used by malicious actors online to push an agenda, or even by criminals as a way of making scams more persuasive. Scammers can trick us into handing over personal information, security details and even our hard-earned cash.

"CLICKBAIT" PHISHING SCAMS

A message arrives saying "Have you seen this video of yourself?" or you might be sent an attention-grabbing headline about a celebrity that's been shared on social media. This kind of "bait" is produced by scammers to drive us to click on an unsafe link, where malware could be downloaded to our devices. These scams rely on our curiosity and our "need-to-know" instinct.

SALES, DEALS & DISCOUNTS

Some scams appear as adverts, offering a chance to buy something – such as designer products, expensive gadgets or tickets to a popular show – at a reduced price. Such ploys often include a time limit or countdown, urging us to hurry so we don't miss out on the deal. This pressure encourages us to input personal details or payment information before pausing to check if it's legitimate.

YOU'RE A WINNER!

This kind of scam involves fake giveaways, opportunities or freebies. It could be a message saying we've won a prize draw or competition. Or it could be a gift, free trial, bonus credit, and suchlike. It might claim that a package or refund is waiting. All these techniques are used to prompt us to share our personal information, thinking that there's something to be gained by doing so.

FALSE FRIENDSHIPS

Scammers often pretend to be someone they're not to gain their victims' trust. They might attempt to convince any children they connect with that they're a child of similar age with shared interests. Warning signs include a high volume of messages (often with an intense tone), secrecy, inappropriate levels of intimacy, guilt tripping, emotional manipulation, threats or blackmail.

PANIC MODE

To trigger a sense of panic, scammers may claim that a child's account has been hacked, or a virus has been installed on their device, or any number of other scary scenarios. They may claim to be able to fix the problem or offer a solution – if the child hands over control of the device or sensitive information. Similar scams involve impersonating a friend or relative, claiming that they're in trouble and need help.

FAKE CELEBRITY ENDORSEMENTS

Impersonating influential people online is a common tactic for scammers, who can use technology to create fake photos, audio and even videos that look authentic. These can be used to convince us, for example, to buy products, sign up for so-called "business opportunities" or invest in cryptocurrency schemes – all of which are fake or otherwise malicious. Many scams also involve the impersonation of popular companies' social media accounts, as well as those of individuals.

Advice for Parents & Educators

STAY INFORMED

Stay up to date with the latest information and best practice on cyber-security. See what scam stories are reported in the news and make note of what tactics were used. Keep up with young people's digital lives: talk about what they're doing online and use properly endorsed resources to learn what risks certain sites and apps pose to their younger users.

ENCOURAGE HEALTHY SCEPTICISM

Most scams rely on emotional or psychological manipulation, tapping into our human instincts – whether that's to keep ourselves safe, help others, find answers, make friends, avoid losing out or to secure something we really want. Encourage children to recognise that pressure to act and to always consult with an adult – especially if what's on offer sounds too good to be true.

TALK TOGETHER

Chat often and openly with young people about fake news, online scams and how they both work. Encourage them to talk to you about anything they're unsure of or worried about online. If a child claims to have been scammed, don't pass judgement. Blaming the victim may deter young people from asking you for help. Remember: adults are scammed just as often, if not more.

BE PROACTIVE

Children increasingly use digital devices for education, socialising, shopping and play. Don't wait for a problem to arise before you discuss the risk of scams, false information and fake news. Highlight what to look out for and clearly communicate under what circumstances the child ought to speak to an adult. Finally, ensure that they're aware of the support services that are available to them (such as Childline).

Meet Our Expert

Dr Holly Powell-Jones is the founder of Online Media Law UK and a leading expert in digital safety, media law and young people. Her PhD investigates children's understandings of risk online. She works with schools, businesses, and universities to provide award-winning education on the criminal, legal and ethical considerations for the digital age. Visit OnlineMediaLaw.co.uk for more.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

1

First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

2

Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

3

Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.

Key Stage 3 Assessment and Core Vocabulary Booklets

The spring term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year by visiting the following link: <https://tinyurl.com/ch14jan25>.

Reading Tests

Pupils in Year 7 and Year 8 will be sitting their Reading Tests during the weeks commencing:

Week Commencing	Year Group & Test
9 June 2025	New Year 8 - Reading Test 3
16 June 2025	New Year 9 - Reading Test 2

These assessments are an important opportunity for pupils to demonstrate their reading comprehension skills and for teachers to understand their current academic progress.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

B.Y.O.B

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

Reusable water bottles are available to purchase from West Office using money on ParentPay.

Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select "Translate" from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.
