Parents have been sent an email containing a letter with further information and a link to give consent. Please use the link in the letter to inform the Birmingham School Age Immunisation Service (SAIS) team whether you wish for your child to receive the recommended vaccines or not. Please note that only pupils with parental consent will be vaccinated.

## Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

### What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
  - any school day where the student does not have permission to be absent
  - weekends - except the weekend preceding or following the half-term break
  - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

## Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.

## Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

## Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

**Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.**

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

# 10 Top Tips for Parents and Educators

## SAFETY ON THE ROAD

Traffic-related incidents are a significant risk for young pedestrians and cyclists, so understanding road safety is crucial for children's wellbeing. While all road users share responsibility for keeping one another safe, this guide offers strategies for empowering young people to navigate the roads confidently and responsibly.

### 1 TAKE PRACTICE JOURNEYS

Making 'practice' journeys with children is a great way to help them stay safe, thereby modelling responsible behaviours and having road safety conversations as they prepare to travel independently. Add hazard perception activities like spotting electric vehicles – which may have a green number plate – and point out how quiet they are. Children learn by watching others; remind them that their peers might not always be the best role models.

### 2 BE BRIGHT, BE SEEN

Visibility is lower during darker winter days, and drivers need to take extra care to look out for pedestrians. Wearing bright and reflective clothing can help make children more visible to drivers near roads. In poor daylight conditions, encourage children to wear light, bright or fluorescent clothing. When it's dark, wear reflective clothing or materials such as a reflective armband or jacket.

### 3 EYES UP

Encourage children to look up and keep their eyes on the road. Teach them to constantly watch for traffic and practise double-checking the road before crossing – looking right, left and then right again.

### 4 LIMIT DISTRACTIONS

Where possible, devices like phones should be kept away from children while out and about near roads. If they're carrying devices, these should be put away until they've reached their destination. Children must also avoid playing with toys or being distracted by friends. If a friend wants to show them something funny on their phone, there'll be time for that once they've safely arrived.

### 5 SLOW DOWN

Discuss the importance of waiting instead of crossing immediately. It can be tricky to judge the speed of traffic and spot obstacles that could cause a trip or a fall. For safety, children must stop and think before they get to the kerb and should always walk – not run – when crossing the road. They should avoid crossing until they're certain they have plenty of time. Even if traffic seems a long way off, it could still be approaching very quickly.

### 6 STOP BEFORE THE KERB

Teach children to stop before reaching the kerb – not right at the edge of it. Halting before they get to the kerb allows them to see if anything's coming, whereas getting too close to traffic is dangerous. If there's no pavement, children should stand back from the road's edge but ensure they can still see approaching traffic.

### 7 CROSS SAFELY

Children should always find a safe spot to cross the road, prioritising zebra crossings or pelican crossings, footbridges and subways. Find a place where they can see traffic coming from both directions. Avoid crossing near junctions, bends in the road, or obstacles that block their view, instead moving to somewhere they can see and be seen. Remind them to use their eyes and ears together when checking the road, as sometimes they can hear traffic before they can see it. Looking and listening while crossing helps them quickly spot traffic, including cyclists and motorcyclists driving between other vehicles.

### 8 PARKED VEHICLES

Crossing between parked vehicles is very dangerous. Teach children to use extra caution if crossing in this way, and, ideally, avoid it altogether. They should use the outside edge of a vehicle as if it were the kerb, waiting and checking for traffic before moving. They should ensure vehicles aren't about to move, by looking for drivers in the vehicles and listening for engines running – but remember that electric vehicles may move off silently. They should always make sure there is a gap between any parked vehicles on the other side, so they can reach the pavement.

### 9 REVERSING VEHICLES

Children must never cross behind a reversing vehicle – it's extremely dangerous. Remind them to look for white reversing lights and listen out for warning sounds. Can they hear the engine sound or a radio playing inside the vehicle?

### 10 WAIT FOR THE BUS TO LEAVE

When getting off a bus, children must wait for it to leave before crossing so they can have a clear view of the road in both directions. This also allows them to see and be seen by other road users. Crossing near large vehicles is particularly dangerous and should be avoided.

## Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

## Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

Any pupil who arrives after 08:40 will be considered late and marked accordingly by the staff members present at the gates. The main school gates will close at 08:40, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day. If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

## Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum. This needs to be brought into school every day in a school bag to ensure it is kept safe. Pupils without a bag have been provided with one. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash).

If your child is in Years 7-10 and needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless). If your child is in Year 11, they can obtain one from Mrs Millington.

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70.

## School Policies & Documents

Parents can access the school's policies and documents via the school's website at [Hodge Hill College - Policies](#).

Parents can view the school's stance on prominent issues that may affect their child and see the codes of conduct that their child should adhere to as a member of the school student body.

## Personal Development Curriculum

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9.

### ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on [www.parentpay.com](http://www.parentpay.com) to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

### Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to [www.parentpay.com](http://www.parentpay.com) > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

### Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

## Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

## Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

## Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

## Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

## Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

## Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

## Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

### National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

### Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

# 1

## First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

# 2

## Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

# 3

## Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

### Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.

### Key Stage 3 Assessment and Core Vocabulary Booklets

The spring term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

### Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year by visiting the following link: <https://tinyurl.com/ch14jan25>.

### Reading Tests

Pupils in Year 7 and Year 8 will be sitting their Reading Tests during the weeks commencing:

Week Commencing	Year Group & Test
9 June 2025	New Year 8 - Reading Test 3
16 June 2025	New Year 9 - Reading Test 2

These assessments are an important opportunity for pupils to demonstrate their reading comprehension skills and for teachers to understand their current academic progress.

### Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at [householdsupport@hodgehill.bham.sch.uk](mailto:householdsupport@hodgehill.bham.sch.uk). All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

### Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

# B.Y.O.B

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

Reusable water bottles are available to purchase from West Office using money on ParentPay.

## Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select **"Translate"** from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.
