New Year 11 pupils will take their mock exams from Monday 9 June 2025 to Friday 20 June 2025. The timetable, rules, and regulations for the mock examinations have been published on our school's website: [Hodge Hill College - GCSE Examinations](#).

### MyOn

We will no longer be using the MyOn platform. We encourage all pupils to read independently at home. Pupils are welcome to visit the library during break times to borrow books from our well-resourced collection. As a family, please encourage your child to read for at least 30 minutes each day. Additionally, consider visiting a public library near you!

### Pupil Passports

Replacement pupil passports now cost £1.50 due to rising costs. Pupils can continue to purchase these at the School Office, provided there is credit on their ParentPay account. Alternatively, parents may buy them via ParentPay.

### New Year 9 HPV Vaccination

Pupils in New Year 9 will receive their HPV vaccine on 8 July 2025. The vaccinations will take place on school premises, and pupils will be required to attend school as usual. They will be called out of lessons for the vaccinations. Parents have been sent an email containing a letter with further information and a link to give consent. Please use the link in the letter to inform the Birmingham School Age Immunisation Service (SAIS) team whether you wish for your child to receive the recommended vaccines or not. Please note that only pupils with parental consent will be vaccinated.

If you need more information about the HPV vaccine, please visit [NHS - HPV Vaccine](#). If you need help or advice completing the consent form, please contact the Birmingham SAIS team on the phone at 0121 466 3410 or via email at [bchnt.hpvteamcentral@nhs.net](mailto:bchnt.hpvteamcentral@nhs.net).

## Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

### What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
  - any school day where the student does not have permission to be absent
  - weekends - except the weekend preceding or following the half-term break
  - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

## Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found at <https://www.hodgehill.bham.sch.uk/uniform>.

## Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This tuition timetable is available at <https://www.hodgehill.bham.sch.uk/tuition>.

## Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

**Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.**

For more information and the activities timetable, please visit: <https://www.hodgehill.bham.sch.uk/extracurricular>.

# What Parents & Educators Need to Know about MINECRAFT

Still the best-selling game of all time, Minecraft is a bastion of creativity and community, with hundreds of millions of players building and crafting in its almost endless world. The popularity of Minecraft among gamers of all ages means it's important to remain informed about the game, including how to play it safely and whether it's suitable for the children in your care. That's why we've created this guide explaining the risks associated with Minecraft and how to ensure a purely enjoyable gaming experience.

## WHAT ARE THE RISKS?

### SCARY ELEMENTS

While Minecraft can be seen as a kind of 'digital LEGO', certain game modes include creatures accompanied by eerie sound effects. These can be a bit too frightening for some younger players, potentially leading to distressing in-game combat and other encounters – although the combat is quite basic and free from any real depiction of violence.

### GRIEFING

Some players in Minecraft take pleasure in deliberately damaging or destroying another person's creations. This behaviour, known as 'griefing', is a form of bullying – it intentionally ruins someone else's experience by erasing hours of their work and forcing them to start over. Many public servers regard griefing as a serious offence and often ban those who engage in it.

### ADDICTIVENESS

Minecraft's focus on creativity means that, as with any creative endeavour, it can be easy to get carried away. If your child is finding it difficult to manage their time because they're drawn in by Minecraft's gameplay loop of resource gathering and building elaborate projects, it could have a knock-on effect on their social interactions and schoolwork.

### PUBLIC SERVERS AND COMMUNICATIONS

With public servers being so easily accessible in Minecraft, it's highly likely that children will end up chatting with strangers through the in-game text chat. Some servers even place an emphasis on social interaction, actively encouraging communication between players. While there's nothing inherently wrong with this, it does carry certain risks. In addition to the concerns around speaking with strangers online, players who host their own servers may have their IP addresses exposed, posing a further security concern.

### ADDITIONAL PURCHASES

Minecraft is available as a free trial on a variety of devices; however, the full game requires a one-off purchase, which is typically around £15. After that, players have the option to buy additional cosmetic upgrades or subscribe to Minecraft Realms. Realms is an entirely optional subscription service that allows users to run their own private server to play with friends. Without proper supervision, younger players may end up making unintended or excessive purchases.

## Advice for Parents & Educators

### CHOOSE THE RIGHT MODE

Selecting Creative or Peaceful mode allows children to play Minecraft without having to contend with enemies. It's also a great way for you to get used to playing the game with them, since the difficulty level is far lower. This allows you to work together on a long-term project, creating something special without the threat of enemies and creatures attacking you or damaging your building.

### HOST A PRIVATE SERVER

The easiest way to find a safe server for children to play on is to make one yourself. Hosting a server prevents strangers from finding it, unless they've been given its address and password. A private server also lets you control who's allowed to enter and – if necessary – ban anyone who shouldn't be there. This is the closest equivalent to parental controls in Minecraft. Hosting a private server, however, will cost a monthly fee.

### TALK ABOUT STRANGERS

At some point in their lives, almost everyone will make contact with a stranger online. Talking to children about online safety, therefore, is essential – as is having a plan for dealing with any hostile or difficult people. It's important that a child knows never to tell a stranger about themselves online and that they should come to you straight away if they do encounter a problem.

### RESEARCH CONTENT CREATORS

Much of Minecraft's early stages can be an exercise in frustration for players who don't know where to start. Thankfully, there's a wealth of material online and in video format to help you learn the basics. Just be mindful that some of this content may not be appropriate for children, so you should consider watching it yourself first.

### PLAY MINECRAFT WITH YOUR CHILD

As a creative building tool, Minecraft makes it great fun for children to team up and construct vast buildings accompanied by imaginative landscapes, much like working with LEGO or model kits. Playing in a game mode that includes enemies can encourage critical thinking and teamwork; however, you should consider which game mode is appropriate for the child in your care.

## Meet Our Expert

Lloyd Coombes is Gaming Editor at the Daily Star, and has worked in games media for more than 6 years. A long-time gaming enthusiast, he is also a parent and therefore a keen advocate of online safety for children of all ages.

## Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

## Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

Any pupil who arrives after 08:40 will be considered late and marked accordingly by the staff members present at the gates. The main school gates will close at 08:40, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day. If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

## Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum. This needs to be brought into school every day in a school bag to ensure it is kept safe. Pupils without a bag have been provided with one. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

## School Policies & Documents

Parents can access the school's policies and documents via the school's website at [Hodge Hill College - Policies](#).

Parents can view the school's stance on prominent issues that may affect their child and see the codes of conduct that their child should adhere to as a member of the school student body.

## Personal Development Curriculum

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9.

## ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

### ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on [www.parentpay.com](http://www.parentpay.com) to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

### Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to [www.parentpay.com](http://www.parentpay.com) > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

### Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

## Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

## Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. NHS guidance is available at <http://bit.ly/3hD7ryQ>.

## Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

## Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

## Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

## Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

## Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

### National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

### Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

# 1

## First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

# 2

## Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

# 3

## Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

### Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.

### Key Stage 3 Assessment and Core Vocabulary Booklets

The spring term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

### Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year by visiting the following link: <https://tinyurl.com/ch14jan25>.

### Reading Tests

Pupils in Year 7 and Year 8 will be sitting their Reading Tests during the weeks commencing:

Week Commencing	Year Group & Test
9 June 2025	New Year 8 - Reading Test 3
16 June 2025	New Year 9 - Reading Test 2

These assessments are an important opportunity for pupils to demonstrate their reading comprehension skills and for teachers to understand their current academic progress.

### Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at [householdsupport@hodgehill.bham.sch.uk](mailto:householdsupport@hodgehill.bham.sch.uk). All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

### Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

# B.Y.O.B

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

Reusable water bottles are available to purchase from West Office using money on ParentPay.

## Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select **"Translate"** from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.
