Attendance - Why It Matters

ATTENDANCE - WHY IT MATTERS
Persistent absence means pupils who miss more than 10% of the school every year

-£750

For each additional day of absence between Years 7 to 11, the typical pupil could miss out an average of **£750** in future lifetime earnings

-£10,000

Persistently absent pupils in Year 10 and 11 could earn **£10,000 less** on average at age 28, compared to pupils with near perfect attendance

This rises to almost **£20,000 less** on average at age 28 for those who are severely absent

For employability over a sustained period, people age 28 were around:

60%

Less likely to be employed when **persistently absent***

75%

Less likely to be employed when **severely absent***

SEND Lived Experience Survey - Local Offer

We want to hear from young people and parent carers of children with SEND.

Two new Lived Experience Surveys are now open on Birmingham's Local Offer, one for young people with SEND and one for parent carers of children and young people with SEND.

We're asking you, as professionals working with families, to help us reach as many people as possible by sharing these surveys with the young people and parent carers you support.

For young people:

We want to know what life is like for them in Birmingham, at school, at home, or in their community to get a sense of how they're feeling and what matters most to them.

For parent carers:

We want to hear about their experiences of support and services for their child or young person. Their insight helps us understand what families are experiencing and how things could be better.

Please share these links with the families you work with:

- [Lived Experience Survey for Young People](#)
- [Lived Experience Survey for Parent/Carers](#)

The surveys are multiple-choice and hopefully won't take up too much of their time, but the feedback will make a big difference to improving services for children, young people, and families across Birmingham. The surveys close on 12 December.

If anyone has questions or needs support completing a survey, they can contact localoffer@birmingham.gov.uk

Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the [Year 11 Extra Tuition Timetable](#) for more information.

A to Z List of Post-16 Open Events 2025

As Year 11 pupils prepare for their next steps after GCSEs, visiting local colleges and sixth forms during their open events is a valuable opportunity to explore future pathways.

These events enable pupils to experience the learning environment, meet staff, and ask questions about courses and available support.

We strongly encourage all parents and carers to check the [A to Z list of post-16 open events](#) on our website and attend with their child to help them make informed decisions.

Upcoming Year 11 Mock Exams

The following mock exams are scheduled for Year 11 pupils in the coming weeks. We encourage parents to support their children's preparation by reviewing the provided study materials together. These mock exams are an important opportunity for pupils to measure their progress and identify areas for additional focus in preparation for their GCSEs in May:

- 25 November 2025 to 28 November 2025 - Creative Design Practical Mock Exams (Week 1) & French Speaking
- 1 December 2025 to 12 December 2025 - Winter Mock Exams
- 15 December 2025 to 18 December 2025 - Creative Design Practical Mock Exams (Week 2)

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

What Parents & Educators Need to Know about MEMES

WHAT ARE THE RISKS?

Memes may look like simple jokes, but, for many teenagers, they form a shared cultural language. Quickly created and reworked, they spread across social media platforms as images with text or short videos. Nearly eight in ten teenagers share memes (79%, YPulse), making them part of daily life. While memes encourage creativity and participation, they can also spread misinformation or reinforce harmful stereotypes.

SPREADING MISINFORMATION

While memes help to communicate complex topics, they can also spread misinformation. Memes may sometimes include content presenting false facts or biased viewpoints, especially around health, politics, or current events and, as they're designed to be shared quickly, young people may not question their accuracy.

EXPOSURE TO INAPPROPRIATE CONTENT

Memes are widely circulated, and not always age-appropriate, meaning young people may encounter explicit language, sexual content, or graphic imagery, even without searching for it. As memes spread fast on platforms like Instagram, TikTok, or WhatsApp, it's nearly impossible to filter them completely.

MASKED MESSAGES

Some memes are designed to be confusing or layered with hidden meanings, making them hard for parents, and, sometimes, other young people to understand. Online groups often create these memes to look like inside jokes, but they can sometimes conceal offensive, harmful, or misleading content.

HIDDEN HARMS & LOSING SENSITIVITY

When serious topics like violence, racism, or mental health are turned into jokes, children and young people may become less sensitive to these issues over time. While a funny meme may seem light-hearted, it can carry messages that belittle certain groups, encourage risky behaviour, or mock personal struggles. Repeated exposure through memes can make harmful behaviour seem normal or less important. Over time, this can blur their understanding of what is funny versus what is discriminatory, harmful, or damaging to themselves and others.

PERMANENT DIGITAL FOOTPRINT

Unlike spoken jokes, memes leave a trail. Created or shared memes can resurface later and be misunderstood, even if intended as harmless. Once online, memes may be copied, saved, or spread beyond a young person's control - digital actions can follow them into their future, shaping how they are perceived by peers, teachers, or even employers long after the original meme has been shared.

Advice for Parents & Educators

ENCOURAGE OPEN CONVERSATIONS

Talk regularly with young people and try to understand their online world - discuss what they find funny about the memes, and why. By listening without judgement, you build trust, making it easier for them to come to you if they see something harmful. Open conversations also help children and teens think critically about the messages behind memes rather than simply accepting them at face value.

MODEL HEALTHY BOUNDARIES

Show children and teens positive online behaviours, such as taking breaks from screens, avoiding late-night scrolling, and engaging in offline activities. Setting clear routines around screen time at home can help to reinforce healthy boundaries and reduce the risks of overuse. By modelling balanced technology use, adults can help children and young people see that digital entertainment, including memes, should be just one part of life.

Meet Our Expert

Dr Cristina Moreno-Almeida is a Senior Lecturer in Digital Culture at Queen Mary University of London. She specialises in memes, online networks, and youth culture, examining how digital spaces shape identity and everyday life.

TEACH DIGITAL LITERACY

Help children and young people learn to question where information comes from and whether it's reliable - developing media literacy skills prepares young people to understand and navigate through their future online lives. Show them how memes can sometimes exaggerate or misrepresent facts for laughs, and encourage them to check credible sources when memes claim to present truth.

FOSTER EMPATHY ONLINE

Remind children and young people that memes should never come at someone else's expense. Encourage them to think about how a meme might make another person feel before sharing or creating it. Highlight examples of positive memes that celebrate creativity without hurting others. Fostering empathy, respect, and kindness in digital spaces will help them become more aware of promoting a safer, more supportive online culture.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day. If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum. This needs to be brought into school every day in a school bag to ensure it is kept safe. Pupils without a bag have been provided with one. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

School Policies & Documents

Parents can access the latest school policies and important documents on the [policies page](#) of our website.

Parents can view the school's stance on prominent issues that may affect their child and see the codes of conduct that their child should adhere to as a member of the school student body.

School Catering Price Increase - November 2025

Following careful consultation with ABM Catering, we have made the difficult decision to increase the cost of school meals at Hodge Hill College due to rising food, fuel, and labour costs.

While we've worked hard to minimise the impact, the price of the Meal Deal has risen to £2.70 from 3 November 2025. We remain committed to keeping meals affordable for students and staff.

[More information and the full tariff menu](#) are available on our school website.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's [Behaviour in Schools](#) page.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the [uniform page](#) of our website.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the [tuition page](#) of our website.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

More information and the activities timetable are available on the [extra-curricular page](#) of our website.

Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

1

First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

2

Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

3

Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. The NHS guidance can be accessed online via the [NHS Guidance](#) page.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

B.Y.O.B

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

Reusable water bottles are available to purchase from West Office using money on ParentPay.

Key Stage 3 Assessment and Core Vocabulary Booklets

This term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year on the [curriculum page](#) of our website.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council can be found on their [cost of living crisis](#) page on their website and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.
