Trip to Severn Trent Water

Dear Parent/Carer,

Your child has been selected to attend a school visit to Severn Trent Water. The day starts with an arrival and welcome, introducing Severn Trent through an interactive presentation. Students will then tour the Coventry site, gaining insight into different departments. Afterwards, they will join workshops focused on teamwork, problem-solving, and creative thinking, with staff sharing their career paths. There are two breaks, including lunch. The day ends with a wrap-up on work experience and career development before students leave.
