Help Your Child Get the Most from Work Experience - Monday 6 July 2026 – Thursday 16 July 2026

This summer, students will have the exciting opportunity to take part in a work experience placement from Monday 6 July 2026 to Thursday 16 July 2026. We would like to encourage all parents and carers to support their child in finding a suitable placement that interests them.

Work experience is a valuable step in preparing young people for the world beyond school. It gives students the chance to explore different careers, develop confidence, and gain real-life skills that can't always be learned in the classroom. Whether your child already has a career in mind or is still figuring out their interests, this experience can be incredibly beneficial.

Parents play a vital role in this process. A quick conversation at home, asking relatives, friends, neighbours, or local businesses, can often open doors that students may not feel confident approaching on their own. Placements don't need to be in large companies—small local businesses, community organisations, schools, charities, and workplaces you already know can all provide excellent learning experiences.

During their placement, students will develop key skills such as communication, teamwork, time-keeping, and problem-solving. These are qualities employers value highly and will support your child in future education, training, and employment. Many students also find that work experience boosts their motivation and helps them make more informed decisions about their next steps.

We ask that you begin discussing work experience options with your child as early as possible to allow plenty of time to secure a placement. Further guidance will be shared by the school, but your encouragement and support at home can make a huge difference.

Thank you for helping your child make the most of this important opportunity. Together, we can ensure that every student gains a positive and rewarding work experience this summer.

Year 9 School Leaver Booster (SLB) Vaccination

Pupils in Year 9 will receive their School Leaver Booster vaccine on **13 May 2026**. The vaccinations will take place on school premises, and pupils will be required to attend school as usual. They will be called out of lessons for the vaccinations. Please note that only pupils with parental consent will be vaccinated.

If you need more information about the SLB vaccine, please visit <https://www.nhs.uk/conditions/vaccinations/3-in-1-teenage-booster/>. If you need help or advice completing the consent form, please contact the Birmingham SAIS team on the phone at 0121 466 3410 or via email at bchnt.hpvyteamcentral@nhs.net.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. The NHS guidance can be accessed online via the [NHS Guidance](#) page.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

What Parents & Educators Need to Know about

TIKTOK

AGE RESTRICTION
13+

(Certain features are restricted to over-18s only)

WHAT ARE THE RISKS?

Online videos are often associated with apps such as YouTube, but among teens, TikTok is king. The app provides a potentially addictive, never-ending stream of short clips tailored to users' interests based on their viewing habits. Around half of British children use TikTok, and while most content is benign, Ofcom considers it the app where young people are "most likely to encounter a potential harm".

AGE-INAPPROPRIATE CONTENT

TikTok's Following Feed shows videos from known creators, while the default For You Feed serves endless clips based on viewing history. Most are harmless, but unsuitable content can still appear, and watching for long enough signals interest to the algorithm. Although TikTok bans illegal or inappropriate uploads, the volume of posts means some slip through, increasing the chance that children encounter age-inappropriate material before it is detected or removed.

BODY IMAGE AND DANGEROUS CHALLENGES

Ofcom reports that most online harms for girls involve body image, while boys more often see dangerous stunts. Both types appear frequently on TikTok and spread quickly through its engagement-driven algorithm. Harmful challenges have included the "blackout" trend, where users held their breath until passing out. Families filed lawsuits after children died linked to the trend, showing how extreme or risky content can rapidly reach young people and negatively influence them.

IN-APP SPENDING

TikTok is free, but children can still spend money. TikTok coins, costing £9.99 to £224.99, let users buy gifts for creators. TikTok Shop adds risk by allowing purchases from influencers or companies, sometimes leading to poor-quality items driven by persuasive marketing. A Canadian investigation found TikTok collected personal data from many children for targeting and advertising despite age limits, meaning young users may lose control over their personal information.

CONTACT WITH STRANGERS

Between 1.6 and 1.9 billion people use TikTok, meaning there's a high risk of unwanted attention from strangers. Accounts created by over-16s (or young people using a fake date of birth) are set to public view by default. This means that not only is someone's profile visible to everyone else on the app, it also suggests their videos to others and allows anyone to download or comment on them.

MISINFORMATION AND RADICALISATION

TikTok's short videos may appear lighthearted, but they can expose young people to harmful ideas. Misinformation is common, and Ofcom reports that nearly one third of 12-15-year-olds use TikTok as a news source, increasing the chance of seeing racist, misogynistic, extremist or conspiracy material. Even brief clips can influence impressionable users and shape their worldview, making discussions about critical thinking, propaganda and online influence especially important for parents and educators.

ADDICTIVE DESIGN

TikTok's fast-paced stream of eye-catching videos can be potentially addictive for young users. In 2024, UK children spent an average of 127 minutes per day on the platform, double the time recorded in 2020. Excessive use can disrupt sleep, increase irritability, and distract from healthier activities. Constantly skipping between short clips may also affect attention span, making it harder to focus on longer tasks such as homework or reading.

Advice for Parents & Educators

ENABLE FAMILY PAIRING

Family Pairing allows parents to link their TikTok account to their child's in order to manage settings remotely. Parents can then turn on Restricted Mode (reducing the chances of a child seeing inappropriate content), set screen time limits, make accounts private and manage whether their child can send messages – and if they can, to whom. Children cannot alter these settings without parental approval.

DISCUSS THE DANGERS

If a child wants to use TikTok and you're happy for them to do so, it's good practice to discuss the potential risks. Ensure they don't share any identifying personal information or respond to dangerous trends, and that they know to talk to a trusted adult if they're worried by interactions on the app. With more teens using TikTok for news, it's important to talk about misinformation and propaganda.

BLOCK IN-APP SPENDING

Parents can restrict in-app purchases on iPhone and Android devices to prevent accidental or impulsive TikTok spending. Young people can easily spend large amounts on TikTok coins or low-quality products promoted through TikTok Shop. If a disappointing purchase occurs, turn it into a discussion about influencer marketing and how online promotions can be misleading.

READ THE SIGNS

If you're concerned that a child is spending too much time on TikTok, or that they've been emotionally affected by something they've seen, it's important to know how to spot the signs. Increased irritability and a lack of concentration are potential red flags, as is failing to complete homework or skipping meals. Remember, the parental controls are there for a reason, and it's never too late to introduce limits.

Year 11 Leavers' Hoodies – Now Available to Order

Leavers' hoodies for Year 11 pupils are now available to order online. Parents have been sent a letter containing a unique code to place their order.

All orders must be made directly with the company via their website: <https://shop.fizz-group.co.uk/shop/hoodie>. The deadline for placing orders is 27 April 2026, and each hoodie costs £28.99.

Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the [Year 11 Extra Tuition Timetable](#) for more information.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day.

If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum.

This needs to be brought into school every day in a school bag to ensure it is kept safe. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

School Policies & Documents

Parents can access the latest school policies and important documents on the [policies page](#) of our website.

Parents can view the school's stance on prominent issues that may affect their child and see the codes of conduct that their child should adhere to as a member of the school student body.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

Personal Development Timetable

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9.

Please find below a table of topics pupils will be learning about in tutor time and Personal Development lessons:

| W/C | Year 7 | Year 8 | Year 9 | Year 10 | Year 11 |
|-------------|--|----------------------------------|---|---|---|
| 23 February | What is democracy? | Basic banking | Mental health – impact of drugs and alcohol | Mental health - what is stress? | Exam stress |
| 2 March | Introduction to UK government/ elections | Financial needs vs wants | Mental health – gambling | Mental health – Impact of social media? | Exam anxiety |
| 9 March | What are laws? | What is debt? | Mental health – eating disorders | Mental health – what is loneliness? | Screen time and studying |
| 16 March | What is Islamophobia? | What is Islamophobia? | What is Islamophobia? | What is Islamophobia? | What is Islamophobia? |
| 23 March | What does an MP do every day? | Financial risks for young people | Mental health – dealing with emotions | How to look after mental health? | What does effective studying look like? |

If you would like to discuss our Personal Development & Tutor Time curriculum, please email personaldevelopment@hodgehill.bham.sch.uk and a member of staff will be in contact to arrange a meeting.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's [Behaviour in Schools](#) page.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the [uniform page](#) of our website.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the [tuition page](#) of our website.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

More information and the activities timetable are available on the [extra-curricular page](#) of our website.

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

Reusable water bottles are available to purchase from West Office using money on ParentPay.

Key Stage 3 Assessment and Core Vocabulary Booklets

This term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year on the [curriculum page](#) of our website.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council can be found on their [cost of living crisis](#) page on their website and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

1

First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

2

Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

3

Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.

Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select **"Translate"** from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.
