Year 11 GCSE Examinations

The timetable, rules, and regulations for this year's GCSE examinations are now available on our school's website: [Hodge Hill College - GCSE Examinations](#).

Fidget Toys vs Sensory Toys

An increasing number of pupils are bringing sensory toys to school to use during lessons, often calling them fidget toys. These sensory toys typically light up or make repetitive sounds, which can draw the user's attention away from their surroundings and help them regulate their emotions when feeling overwhelmed. However, when used in class, these toys can distract pupils from their learning.

Fidget toys, on the other hand, are designed to be quiet and small enough to be fidgeted with discreetly, such as under a desk or in a pocket. They help users focus better on their surroundings, allowing them to engage more effectively in their lessons. The best fidget toys tend to be simple, like a small piece of Blu Tack or a bit of ribbon.

If a pupil brings a sensory toy to class, they will be asked to put it away in their bag. If a fidget toy is used repeatedly during the same lesson, the teacher may take it away.

PENALTIES AND OFFENCES FOR E-SCOOTERS

If you breach the rules when using an e-scooter you could face a fixed penalty notice.

SEEN DANGEROUS RIDING? LET US KNOW!

If you spot someone riding e-bikes or e-scooters dangerously and capture it on your dashcam, CCTV, or a passenger's mobile phone, we want to hear from you.

WE'RE PUTTING THE BRAKES ON ILLEGAL E-RIDERS

Electric bikes and scooters are becoming increasingly popular in the city but before you ride, it's important to understand the rules.

Using an illegal electric bike or scooter can lead to serious consequences - not just for you, but for others around you.

This leaflet contains information you need to know to stay safe and on the right side of the law.

West
Midlands
POLICE

WHAT MAKE AN ELECTRIC BIKE OR SCOOTER ILLEGAL ?

Electric bikes: If the bike can go faster than 3.7mph unassisted, or over 15.5mph assisted, or if the motor produces more than 250 watts, it's classed as a motor vehicle and riders must comply with road traffic laws.

Electric scooters: Most privately-owned electric scooters are illegal to ride on public roads, pavements, or cycle lanes unless specifically approved for use by the Department for Transport.

WHERE CAN YOU RIDE LEGALLY ?

Electric bikes: Approved e-bikes can be used on roads, cycle paths, and other places bikes are allowed. You don't need a licence or insurance. You must check your e-bike meets EPAC (electrically assisted pedal cycles) regulations.

Electric scooters: Privately-owned scooters can only be used on private property (with permission). It's illegal to use them on public roads or pavements.

WHAT HAPPENS IF YOU BREAK THE LAW ?

Riding an illegal electric bike or scooter could result in:

- Fines, penalty points on your licence, or even prosecution.
- Seizure of your vehicle.
- Risk to yourself and others due to lack of safety features like insurance or proper maintenance.

STAY SAFE AND CHOOSE WISELY

If you're planning to purchase or use an electric bike or scooter, make sure it complies with UK regulations. Look for approved models and understand where you're allowed to ride. It's always better to double-check than to risk breaking the law.

We want to keep you and others safe. Illegal vehicles can pose serious risks to pedestrians, drivers, and cyclists. By following the law, you're helping make roads and public spaces safer for everyone.

WHAT IS AN E-SCOOTER ?

E-scooters are classed as motor vehicles under the Road Traffic Act 1988. This means the rules that apply to motor vehicles, also apply to e-scooters, including the need to have a licence and insurance.

It's not currently possible to get insurance for privately-owned e-scooters. This means it's illegal to use them on the road or in public spaces, such as parks, street pavements, and shopping centres.

If you use a privately-owned e-scooter in public, you risk the vehicle being seized under S.165 Road Traffic Act 1988 for having no insurance.

If you cause serious harm to another person whilst riding an e-scooter, the incident will be investigated in the same way it would if you were riding a motorcycle or driving a car.

RENTAL E-SCOOTERS

E-scooters are available for rent in designated Beryl bays throughout the city centre and surrounding areas. Riders must be 18 years old and have a valid UK driving licence to participate.

Where a rental trial scheme is running, rental e-scooters can be used on public roads, some cycle lanes, and other public spaces. But you must follow the relevant road traffic laws. If you don't, you could face prosecution.

To use a rental e-scooter in an approved area you must:

- Hold the correct driving licence.
- Have insurance (the rental companies provide this when you hire from them).
- Meet the minimum age limit (this can vary depending on the rental company, so please check with them).

When riding an e-scooter, you should always keep to the speed limit. We also always recommend wearing safety protection such as a helmet.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. The NHS guidance can be accessed online via the [NHS Guidance](#) page.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

Help Your Child Get the Most from Work Experience - Monday 6 July 2026 – Thursday 16 July 2026

This summer, students will have the exciting opportunity to take part in a work experience placement from Monday 6 July 2026 to Thursday 16 July 2026. We would like to encourage all parents and carers to support their child in finding a suitable placement that interests them.

Work experience is a valuable step in preparing young people for the world beyond school. It gives students the chance to explore different careers, develop confidence, and gain real-life skills that can't always be learned in the classroom. Whether your child already has a career in mind or is still figuring out their interests, this experience can be incredibly beneficial.

Parents play a vital role in this process. A quick conversation at home, asking relatives, friends, neighbours, or local businesses, can often open doors that students may not feel confident approaching on their own. Placements don't need to be in large companies—small local businesses, community organisations, schools, charities, and workplaces you already know can all provide excellent learning experiences.

During their placement, students will develop key skills such as communication, teamwork, time-keeping, and problem-solving. These are qualities employers value highly and will support your child in future education, training, and employment. Many students also find that work experience boosts their motivation and helps them make more informed decisions about their next steps.

We ask that you begin discussing work experience options with your child as early as possible to allow plenty of time to secure a placement. Further guidance will be shared by the school, but your encouragement and support at home can make a huge difference.

Thank you for helping your child make the most of this important opportunity. Together, we can ensure that every student gains a positive and rewarding work experience this summer.

Year 11 Leavers' Hoodies – Now Available to Order

Leavers' hoodies for Year 11 pupils are now available to order online. Parents have been sent a letter containing a unique code to place their order.

All orders must be made directly with the company via their website: <https://shop.fizz-group.co.uk/shop/hoodie>. The deadline for placing orders is 27 April 2026, and each hoodie costs £28.99.

Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the [Year 11 Extra Tuition Timetable](#) for more information.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day.

If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum.

This needs to be brought into school every day in a school bag to ensure it is kept safe. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at both canteens for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

School Policies & Documents

Parents can access the latest school policies and important documents on the [policies page](#) of our website.

Parents can view the school's stance on prominent issues that may affect their child and see the codes of conduct that their child should adhere to as a member of the school student body.

What Parents & Educators Need to Know about TOY SCALPING, FAKES & SCAMS

Online scalping is when individuals or groups use automated software (bots) to bulk-buy high-demand items – such as gaming consoles, concert tickets, limited-edition trainers, or exclusive merchandise – with the intention of reselling them at vastly inflated prices. It's a fast-moving online trend that can frustrate young consumers and expose them to misleading practices or financial harm. As this unethical tactic grows, it's important to help children and young people understand how scalping works and how to navigate it responsibly.

WHAT ARE THE RISKS?

FINANCIAL PRESSURE AND MANIPULATION

Scalpers create artificial scarcity by buying up large quantities of stock before the public has a fair chance to purchase. This drives up demand and pushes prices to extreme levels. Young people may feel intense pressure to spend more than they can afford for fear of missing out entirely.

EXPLOITATION OF FANDOMS

Scalping often targets popular releases with strong fan bases, knowing that loyal followers are emotionally invested. Children and young people may place huge value on owning certain items linked to their favourite artists, sports teams or games, making them more likely to accept unfair prices or questionable sellers.

ACCESSING UNSAFE WEBSITES

In the rush to secure rare items, young people might click through to unverified sellers, online marketplaces with little consumer protection, or even sites designed specifically to harvest personal and financial data. This can expose them to fraud, malware, and identity theft.

NORMALISING UNETHICAL BEHAVIOUR

Some influencers and online communities present scalping as a clever money-making scheme rather than an exploitative one. This can normalise dishonest behaviour and blur the line between legitimate business and opportunistic profiteering for younger audiences.

RISK OF SCAMS OR COUNTERFEIT GOODS

Not every high-priced resale is legitimate. Fraudulent sellers may take payment for goods they never send, or ship counterfeit versions of branded items. In some cases, the product may look authentic in photos but turn out to be of poor quality or completely different from what was advertised.

REINFORCING INEQUALITY

Scalping makes already expensive items even less accessible, particularly for lower-income families. Children may feel excluded from trends or shared experiences with friends if their family cannot meet the inflated prices, which can lead to with feelings of isolation and disappointment.

Advice for Parents & Educators

TALK ABOUT ONLINE FAIRNESS

Use scalping as an opportunity to discuss fairness, consumer ethics, and how some people exploit markets for profit. Encouraging children to think critically about whether they truly need an item – and at what cost – can help them make more considered decisions.

SUPPORT INFORMED PURCHASING

Show children how to check seller credentials, read independent reviews, and verify whether a site is secure before making any payment. Knowing how to spot red flags, such as unrealistic promises or missing contact details, can prevent costly mistakes.

ENCOURAGE PATIENCE OVER IMPULSE

Teach young people to wait for official restocks or future releases instead of paying over the odds. Many products come back into circulation, and patience can save significant amounts of money while reducing the likelihood of falling victim to scams.

SET SPENDING BOUNDARIES

Establish clear rules for online spending, including limits on prepaid cards, gaming gift cards, and online wallets. Discuss the real-world value of money spent on digital or collector's items so children understand the long-term impact of their purchases.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's [Behaviour in Schools](#) page.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the [uniform page](#) of our website.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the [tuition page](#) of our website.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

More information and the activities timetable are available on the [extra-curricular page](#) of our website.

BRING YOUR OWN BOTTLE

As part of our move towards sustainability, single-use plastic cups are no longer available in school.

All pupils must take responsibility for bringing in their own reusable water bottles.

This term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year on the [curriculum page](#) of our website.

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council can be found on their [cost of living crisis](#) page on their website and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

Penalty Notices

From 19 August 2024, the new National Framework for issuing penalty notices will apply.

National Threshold

There will be a single consistent national threshold to consider if a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

Penalty Notice Fines will continue to be issued per parent per child.

Example: 2 parents with 3 children would receive a total of 6 Penalty Notices

1

First Offence

- £100 per parent, per child paid within 28 days
- Reduced to £60 per parent, per child if paid within 21 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

2

Second Offence (within 3 years of the First Offence)

- Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice
- £100 per parent, per child paid within 28 days
- Unpaid Penalty Notices after 28 days may result in a prosecution

3

Third Offence and any further offences (within 3 years of the First Offence)

- The third time that an offence is committed for either a term time holiday and/or irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Education Act 1996, Section 444
- If found guilty of the offence of "failure to secure their child's regular attendance at a school" the Magistrates can impose a fine of up to £1,000 and you will have a criminal record

Please Note

If you take any Leave of Absence PRIOR to 19 August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in or after September 2024 will be charged at the new rates as above.
