

# Notice of road closure – Saltley Viaduct/High Street

**HS2-BBV-26-1688**

## Location

Saltley Viaduct/High Street

## Duration

A full road closure in both directions from Sunday 10 May 2026 for approximately 18 months

## What we are doing

As we build the new high speed railway line in Birmingham, we need to demolish and rebuild the existing viaduct over the railway and river Rea in Saltley. We need to do this work because the existing bridge does not currently have enough headroom for the new HS2 trains to pass underneath.

To rebuild the bridge, we will need to close Saltley High Street for approximately 18 months from Sunday 10 May 2026. These dates are the earliest dates and are subject to change.

## What to expect

A fully signed vehicle and pedestrian diversion will be in place. Local buses will also be diverted, please scan the QR code below for more information:
