

1 June 2026

Summer School at Hodge Hill College for New Year 7s Starting in September 2026

Dear Parent/Carer,

We at Hodge Hill College are excited to share news of a fantastic opportunity available to all new pupils starting with us in September 2026. Before your child begins their learning journey with us, we believe it is vital that they have the opportunity to secure their relationships with peers and school staff, become familiar with their new surroundings and routines, and learn through engaging, interactive workshops.

Between 22 July 2026 and 24 July 2026, from 8:30am (registration) to 2:00pm (collection) each day, we'll be hosting a **free** summer school for 100 lucky participants on a first-come, first-served basis. Our three-day programme promises to be a fun and memorable experience for all involved, and we strongly encourage you to complete the [online registration form](#) to ensure your child doesn't miss out and to give them something exciting to look forward to over the summer break. We'll be providing **free** breakfast and lunch on all three days; therefore, please let us know if your child has any dietary needs and/or allergies via the registration form.

Activities within our Summer School include:

- Rocket show workshop with the 'Rocket Man' Peter Wright
- Circus skills
- Graffiti workshops
- An escape room activity
- Team challenges to help build positive relationships between pupils
- Take part in an interactive quiz with their peers
- Create some artwork that will be on display in the school
- An opportunity for your child to explore their new school site with their new friends
- Take part in and experience PE activities that they will participate in at Hodge Hill College

If you would like your child to take advantage of this wonderful opportunity, please complete and submit this online form <https://www.hodgehill.bham.sch.uk/summerschool2026> by 2:00pm on 19 June 2026.

Should you have any queries or would like to know more about our Summer School, please contact me on 0121 783 7807 or transition@hodgehill.bham.sch.uk.

Yours faithfully,

R Stewart
