Eco Club Trip

Dear Parent/Carer,

Your child has been selected to attend a school visit to the University of Birmingham School. The visit will offer Eco Club students the opportunity to attend a Sustainability Symposium at the University of Birmingham School. Through a range of presentations, discussions, and interactive activities, students will explore key environmental issues, including sustainability and climate change, and learn about initiatives undertaken by schools, organisations, and industry professionals.

The event will deepen students' understanding of environmental responsibility and encourage them to consider how they can contribute positively to their school and local community. Students will have the opportunity to collaborate with peers from other schools, develop their communication skills, and gain insight into real-world sustainability challenges and solutions.

The knowledge and experiences gained from the symposium will help students contribute to future Eco Club projects and environmental initiatives within school, while also developing skills that will support their wider personal and academic development.

Date	Wednesday 17 June 2026
Time	Depart from school at 9:00 Arrive back at school at 15:10
Location	University of Birmingham School, 2 Weoley Park Road, Selly Oak, Birmingham, B29 6QU
