## Free School Meals

*Could your child be entitled to free school meals from September 2026?*

If you receive Universal Credit or other benefits, your child may be eligible for free school meals. The rules have changed, so more families now qualify.

Please apply and we'll check this for you — we're happy to help.

Please note: Although parents/carers can apply now under the new criteria, eligibility will not commence until 1 September 2026.

### New Year 11 Sex Education Workshops

New Year 11 pupils will be taking part in Sex Education Workshops on Wednesday 24 June & Tuesday 30 June. These workshops will be delivered by trained professionals from Umbrella, a sexual health service in Birmingham and Solihull. The workshops will be completed in single sex groups with both workshops looking at STIs and contraception. These workshops form part of the school's Secure Curriculum and evidence of meeting statutory guidance set out by Department for Education. We advise that all pupils should be present in the workshop and take part in the activities that they feel comfortable with. However, if you would not like your child to be present during these workshops, please email [personaldevelopment@hodgehill.bham.sch.uk](mailto:personaldevelopment@hodgehill.bham.sch.uk) and a member of the Personal Development team will be in contact.

## Managing Thoughts and Feelings

Sometimes our thoughts and feelings can be quite unhelpful, making us believe things that might not be true or filling us with negative emotions that are hard to get rid of.

When this happens, you might find it helpful to practise some techniques for managing your thoughts and feelings. To get you started, Forward Thinking Birmingham have put together a few pointers that you might find useful. You can also make a referral to their service for professional advice and support.

There are a number of things you can do to help yourself. You can:

- Acknowledge your feelings
- Reassure yourself
- Keep a mood diary
- Challenge your negative thoughts

Visit the [Forward Thinking Birmingham](#) website for more information and tips.

## Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the [Year 11 Extra Tuition Timetable](#) for more information.

## Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

## Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day.

If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

## Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum.

This needs to be brought into school every day in a school bag to ensure it is kept safe. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at the Ready to Learn Hub for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

## School Policies & Documents

Parents can access the latest school policies and important documents on the [policies page](#) of our website. This includes our behaviour and expectations policies, which outline how we promote a safe, inclusive and positive learning environment and support high standards of conduct for all pupils.

## Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

## Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. The NHS guidance can be accessed online via the [NHS Guidance](#) page.

## Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

## Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

## Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

## Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

## Help Your Child Get the Most from Work Experience - Monday 6 July 2026 – Thursday 16 July 2026

This summer, students will have the exciting opportunity to take part in a work experience placement from Monday 6 July 2026 to Thursday 16 July 2026. We would like to encourage all parents and carers to support their child in finding a suitable placement that interests them.

Work experience is a valuable step in preparing young people for the world beyond school. It gives students the chance to explore different careers, develop confidence, and gain real-life skills that can't always be learned in the classroom. Whether your child already has a career in mind or is still figuring out their interests, this experience can be incredibly beneficial.

Parents play a vital role in this process. A quick conversation at home, asking relatives, friends, neighbours, or local businesses, can often open doors that students may not feel confident approaching on their own. Placements don't need to be in large companies—small local businesses, community organisations, schools, charities, and workplaces you already know can all provide excellent learning experiences.

During their placement, students will develop key skills such as communication, teamwork, time-keeping, and problem-solving. These are qualities employers value highly and will support your child in future education, training, and employment. Many students also find that work experience boosts their motivation and helps them make more informed decisions about their next steps.

We ask that you begin discussing work experience options with your child as early as possible to allow plenty of time to secure a placement. Further guidance will be shared by the school, but your encouragement and support at home can make a huge difference.

Thank you for helping your child make the most of this important opportunity. Together, we can ensure that every student gains a positive and rewarding work experience this summer.

## ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

### ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on [www.parentpay.com](http://www.parentpay.com) to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

### Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to [www.parentpay.com](http://www.parentpay.com) > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

### Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

## Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

### What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
  - any school day where the student does not have permission to be absent
  - weekends - except the weekend preceding or following the half-term break
  - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's [Behaviour in Schools](#) page.

## Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the [uniform page](#) of our website.

## Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the [tuition page](#) of our website.

## Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

**Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.**

More information and the activities timetable are available on the [extra-curricular page](#) of our website.

## Personal Development Timetable

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9.

Please find below a table of topics pupils will be learning about in tutor time and Personal Development lessons:

If you would like to discuss our Personal Development & Tutor Time curriculum, please email [personaldevelopment@hodgehill.bham.sch.uk](mailto:personaldevelopment@hodgehill.bham.sch.uk) and a member of staff will be in contact to arrange a meeting.

# What Parents & Educators Need to Know about APP & PLAY STORES

## WHAT ARE THE RISKS?

Since the introduction of Apple's App Store and Google's Play Store, an estimated two million apps have been made available on each. Ofcom's 2025 media use and attitudes report states that more than half of children aged between 3 and 7 use apps or sites to communicate with each other, and, by the ages of 10 to 12, 45% of children are playing games on their mobile phones. This guide will help you ensure that children use the app stores and their content safely.

### MALICIOUS APPS WITH MALWARE

Although Google and Apple must approve the apps on their official stores, inappropriate content sometimes slips through the net. For example, in 2025, the security company Kaspersky found that multiple iOS and Android apps contained screen-reading software, primed to look for passwords and stealing crypto-wallet recovery phrases captured in screenshots.

### UNOFFICIAL COPYCAT APPS

Both official app stores contain copycat apps – often games – designed to look like popular rivals, mimicking their branding, layout and logos. While these will usually just offer a poor experience packed with ads as a quick money-making exercise, they're also more likely to be vessels for malware than the products they're counterfeiting.

### INAPPROPRIATE CONTENT

As the App Store and Play Store are for all ages, there's a lot of content available that's inappropriate for children. Examples include apps that have references to alcohol, drugs, sex, violence or gambling. In general, these are sensibly age-rated, but social media sites such as YouTube and TikTok, which both have an App Store age rating of 12+, can be gateways to adult material.

### PREDATORY IN-APP PURCHASES

App-making is a business, and most creators have found that 'freemium' software is the way to make money. That means the app will be free initially but will either require the user to watch ads or rely on them making in-app purchases. Some 'free' apps can be predatory, and there are plenty of examples reported where parents have racked up huge bills on behalf of their children's app activity.

### ADDICTIVE BY DESIGN

Phone addiction is fast becoming recognised as a real concern, and apps are a big part of this. Freemium apps have a real incentive to keep children checking in every day in order to generate more ad views or secure extra in-app purchases. This can interfere with schoolwork and other offline hobbies.

### SIDELoaded BANNED APPS

'Sideloaded' – the more complicated practice of installing applications on a device from sources other than the official app stores – bypasses Google's and Apple's security procedures; however, it is possible for tech-savvy users. This opens up huge risks – not just apps that would be forbidden by Apple and Google, but pirate ones packed with malware too.

## Advice for Parents & Educators

### ACTIVATE PARENTAL CONTROLS FOR APPS

Both Google and Apple have apps that can give adults greater control over children's phone activity. 'Screen Time' (iPhone) and 'Family Link' (Android) have a range of features, such as letting you set age-related restrictions on the app stores, require permission to download an app, set daily time limits on specific apps, and control real-world spending.

### DO YOUR RESEARCH

If children ask permission to download an app, do your due diligence and research it. Read the app summary and search the internet for reviews and discussions to establish its legitimacy, safety and appropriateness – if it doesn't seem to be appropriate, look for safer alternatives instead.

### LOOK BEYOND THE REVIEWS

App store reviews are helpful, but they are easily gamed, and some unscrupulous developers will pay for quick reviews to give their work perceived legitimacy. Take more than a cursory glance at listings by digging out the one- and two-star reviews and looking closely at the developer – for example, if they've published a lot of unrelated apps, that's a red flag.

### TALK TO YOUR CHILD

Talk to children and make sure they're aware that apps can be risky. As part of a wider talk about internet literacy, ensure they don't download apps outside of the official channels, nor grant apps permission to access their camera, microphone, or photos without a good reason. Make sure they understand that in-game currency costs real-world money.

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year on the [curriculum page](#) of our website.

### Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at [householdsupport@hodgehill.bham.sch.uk](mailto:householdsupport@hodgehill.bham.sch.uk). All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council can be found on their [cost of living crisis](#) page on their website and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

### Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

## Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select **"Translate"** from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.

### Examples:

#### Arabic

#### Bangla

#### Chinese

#### Romanian

#### Polish

#### Urdu
