Free School Meals

Could your child be entitled to free school meals from September 2026?

If you receive Universal Credit or other benefits, your child may be eligible for free school meals. The rules have changed, so more families now qualify.

Please apply and we'll check this for you — we're happy to help.

Please note: Although parents/carers can apply now under the new criteria, eligibility will not commence until 1 September 2026.

Food and Mental Health

Some studies suggest that what we eat and drink can affect how we feel. But it can be difficult to know what to eat, especially when healthier foods can be more expensive. And it can be hard to think about our diet when we're struggling with our mental wellbeing.

Visit the [Mind](#) website for more information and tips on food and mental health, and advice on:

- Types of mental health problems
- A-Z mental health
- Drugs and treatments
- Trips for everyday living
- Online peer support

Loneliness

Everyone feels lonely from time to time but if you have limited social support or a lack of healthy relationships, it can really start to get you down.

You might find yourself feeling isolated, rejected or abandoned.

Loneliness can be a difficult thing to deal with. Although it's not a mental health problem in itself, loneliness can often cause or be the result of a mental health issue.

There are a number of ways to tackle loneliness:

- Work out what makes you feel lonely
- Talk about how you feel
- Meet new people

Visit the [Forward Thinking Birmingham](#) website for more information and tips.

Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the [Year 11 Extra Tuition Timetable](#) for more information.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day.

If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum.

This needs to be brought into school every day in a school bag to ensure it is kept safe. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at the Ready to Learn Hub for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

School Policies & Documents

Parents can access the latest school policies and important documents on the [policies page](#) of our website. This includes our behaviour and expectations policies, which outline how we promote a safe, inclusive and positive learning environment and support high standards of conduct for all pupils.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. The NHS guidance can be accessed online via the [NHS Guidance](#) page.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's [Behaviour in Schools](#) page.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the [uniform page](#) of our website.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the [tuition page](#) of our website.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

More information and the activities timetable are available on the [extra-curricular page](#) of our website.

What Parents & Educators Need to Know about ONLINE GROOMING

Online grooming is when someone builds a relationship with a child or young person online to gain their trust for the purpose of sexual abuse, exploitation, radicalisation, or criminal activity – such as county lines or financial scams. According to the NSPCC, police in the UK recorded over 7,000 offences involving sexual communication with a child in a single year – an increase of 89% since 2017/18.

WHAT ARE THE RISKS?

STRANGERS USING FAKE IDENTITIES

Groomers often pose as children or teenagers online to build trust. They may create convincing fake profiles, share photos stolen from real people, or mimic the interests of the child. By pretending to be someone their age, they make conversations feel safe and relatable. Over time, they may ask for personal details, photos, or suggest meeting in person, exposing children to significant emotional and physical harm.

EXPLOITATION THROUGH GIFTS AND FLATTERY

To gain trust quickly, groomers often send gifts, gaming credits, or money. Alongside material offerings, they use excessive compliments, affection, and attention to create emotional dependency. These tactics make children feel valued and special, lowering their defences. Once trust is secured, groomers may escalate their requests, often asking for photos or private conversations, making the child feel pressured or indebted to continue.

GROUP CHATS AS HIDDEN PATHWAYS

Unmonitored group chats on platforms like WhatsApp or Discord provide a cover for groomers. They can watch how children interact, identify those who seem vulnerable, and then move conversations into private messaging. This transition makes detection difficult for trusted adults. The seemingly harmless group setting often masks the presence of predators, giving children a false sense of security.

THE RISE OF SEXTORTION

Sextortion involves pressuring children into sharing explicit content, then blackmailing them for more. Offenders may claim to have hacked a child's device, threaten to share images with friends or family, or demand money. Many victims remain silent out of fear and shame. This growing crime is particularly dangerous because children often feel trapped, believing there's no safe way to escape the situation.

GAMING PLATFORMS AS GROOMING GATEWAYS

Games like Roblox, Fortnite, or Call of Duty, which include live chat features, are frequent targets for groomers. Conversations often begin casually during gameplay and can become manipulative over time. Groomers may offer in-game gifts, credits, or exclusive add-ons to build rapport. Children using headsets or private chat features are especially at risk, as conversations are harder for adults to monitor.

CRIMINAL & RADICALISATION RISKS

Grooming is not always sexual. Some offenders manipulate children into criminal activities such as drug running or online fraud. Others attempt to radicalise young people with extreme ideologies. Groomers often use fear, money, shame, or promises of belonging to control their victims. These forms of exploitation can be just as harmful as sexual grooming, and often leave lasting psychological and social consequences.

Advice for Parents & Educators

KEEP CONVERSATIONS REGULAR

Rather than having one "big talk" about online safety, weave conversations into everyday life. Ask questions about children's online friendships and interests. Share real-life examples to make discussions relatable and encourage honesty instead of secrecy. When children feel comfortable discussing their digital lives, they are far more likely to share concerns or admit when something feels wrong, reducing the chance of risky interactions going unnoticed.

CREATE A "TELL ME" CULTURE

Children often keep silent because they fear being punished or losing access to their devices. Reassure them that coming forward with concerns won't get them into trouble. Emphasise that you are there to help, not judge. Creating a safe, open environment encourages children to speak up if something feels wrong, and helps to ensure they don't suffer in silence when facing potential grooming risks.

UNDERSTAND THE PLATFORMS CHILDREN USE

Take time to learn about the apps, games, and social platforms children are on. Familiarise yourself with privacy settings, parental controls, and group chat features. Use resources like The National College guides or conduct quick searches to stay updated. By understanding how these platforms operate, you'll be better equipped to set boundaries, guide safe use, and notice any unusual or concerning online behaviour early.

STAY ALERT TO WARNING SIGNS

Be attentive to both behavioural and digital red flags. Sudden secrecy, mood swings, or new online contacts may signal a problem. Watch for unexplained gifts, new social media profiles, or changes in sleep patterns. Increased anxiety or reluctance to attend school can also be indicators. Regularly checking in and showing interest in those whom they communicate with online help prevent small issues from escalating into serious risks.

Meet Our Expert

Staffordshire Police is dedicated to keeping people safe and tackling crime across both the physical and digital world. The force continues to strengthen its digital investigation and safeguarding capabilities to protect children and vulnerable people online, working in partnership with local, regional and national organisations, schools, and the wider community.

Personal Development Timetable

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9.

Please find below a table of topics pupils will be learning about in tutor time and Personal Development lessons:

Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide.

Further information about support being provided by Birmingham City Council can be found on their [cost of living crisis](#) page on their website and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select **"Translate"** from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.
