Last-minute lunch money panic? Solved

Keeping your child's account topped up has never been easier. With ParentPay's Auto Top-Up feature, you can set up automatic payments on a weekly or monthly schedule (or when their meal balance gets low) that works for your household budget. Once set up, your chosen amount will be added automatically, helping to ensure your child always has funds available for school meals.

That means no last-minute top-ups, no unexpected low-balance surprises, and confidence that your child can access school meals daily.

Why use Auto Top-Up?

Peace of mind for you:

Auto Top-Up helps reduce the risk of low balances and last-minute payments, giving you one less thing to think about during busy weeks.

Confidence for your child:

By keeping meal funds available, Auto Top-Up helps ensure your child can access meals without interruption throughout the school term.

Set up Auto Top-Up in 3 simple steps

1. Choose when to top up:

Select a weekly or monthly schedule or choose to top up when your balance falls below a set amount.

2. Choose your top-up amount:

Decide how much you'd like ParentPay to add to your child's account each time.

3. Relax – ParentPay will do the rest:

Your account will be topped up automatically, helping to ensure funds are available for meals when they're needed.

To get started, log in to ParentPay and set up an Auto Top-Up schedule today.

We're Going Phone Free with Yondr

We're committed to creating a learning environment where every student can thrive. Our young people are growing up in an increasingly complex world, living their lives on and offline. This presents many exciting opportunities - but also academic, emotional and social challenges. Beginning Wednesday 2 September 2026, we will launch the [Yondr Phone-Free Schools Programme](#). This isn't just about limiting screen time, it's about giving pupils the space to think deeply, engage meaningfully, and thrive in an environment designed for their growth.

For over a decade, Yondr has supported schools in more than 40 countries to build healthier, more engaging school cultures. Their pouch-based program, combined with hands-on guidance and dedicated support, has led to powerful results:

- 86% reported improved safety and pupil wellbeing
- 84% saw increased engagement in class
- 44% reduced behavioural referrals

How the Programme Works

Each pupil will be assigned a Yondr pouch - a secure, lockable case for storing personal electronic devices. Pupils are responsible for bringing their pouch to and from school each day and keeping it in good condition.

- Upon arrival: Pupils power off all smart technology including their mobile phones, smart watches and air pods, place all devices in the pouch, and lock it in front of their tutor
- During the day: Pupils keep the locked pouch in their bag
- At dismissal: Pupils unlock pouches at designated stations to retrieve their devices. The phone is taken home by the pupil ready for the next school day

This process is quick, simple, and will be supervised by staff as part of our daily routine.

Staying Connected

With pupil safety as our top priority, we will follow our standard safety protocols in the event of an emergency. If you need to reach your child during the school day, please contact our School Office at 0121 783 7807.

We know that change takes partnership – and we're here to support a smooth transition for your family. If you have any questions, please email enquiry@hodgehill.bham.sch.uk.

Great British Summer Savings

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. The Government is determined to help, and that is why last month the Chancellor announced the Great British Summer Savings scheme.

From 25 June 2026 to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions.

Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

This forms part of a broader effort by the Government to ease financial pressures on families. From ending the two-child limit and expanding free school meals, to rolling out free breakfast clubs and delivering 30 hours of free childcare, the Government is taking action to put more money back into parents' pockets and give every child the best possible start in life.

As part of this campaign, the Government has launched an attraction finder website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.

Happy Safe, Summer from West Midlands Police

The summer holiday is fast approaching, it is important our students are reminded what we, as a school community, expect of them in terms of behaviour while they are enjoying socialising with friends and family during the break. We also want to ensure they feel confident to keep themselves safe and away from crime and anti-social behaviour.

Parents/carers and students should already be aware that as part of our safeguarding arrangements, the school has a two-way information sharing agreement in place with West Midlands Police, and we are active members of the local Police & Schools Panel.

This joint approach helps us to intervene early to prevent and reduce crime and anti-social behaviour involving our students and provide support and up-to-date safety messages.

In partnership with the police, we would like to share key reminders with parents and carers via the letter on our school website:

Personal Development Curriculum

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9. The [Personal Development Curriculum from September 2026 to July 2027](#), with a list of topics, is available on the school website.

If you would like to discuss our Personal Development & Tutor Time curriculum, please email personaldevelopment@hodgehill.bham.sch.uk and a member of staff will be in contact to arrange a meeting.

Key Stage 3 Assessment and Core Vocabulary Booklets

This term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year on the [curriculum page](#) of our website.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. The NHS guidance can be accessed online via the [NHS Guidance](#) page.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

Free School Meals

Who is eligible for Free School Meals?

Your child may be able to get free school meals if you get any of the following:

- Universal Credit
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you are not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying)

Apply for Free School Meals

We encourage you to [apply for Free School Meals](#) through the online service found on our website. You can also telephone (0121 783 7807) or come into school and complete a Free School Meals application online with a member of staff if you prefer.

Please make sure you have the National Insurance Number with you for the named person who receives either working tax credit/child tax credit and we will be happy to help.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's [Behaviour in Schools](#) page.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the [uniform page](#) of our website.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the [tuition page](#) of our website.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

More information and the activities timetable are available on the [extra-curricular page](#) of our website.

Anxiety

We all experience anxiety at times; it's a completely natural reaction to situations that make us feel vulnerable, scared, nervous or worried, such as exams or job interviews.

Sometimes though, these tense feelings can start to creep into your everyday life, making it difficult to do regular things like socialising or going to school or work. When anxiety gets to this point, it can be really overwhelming and can leave you feeling very down.

Visit the [Forward Thinking Birmingham](#) website for more information, when to seek help and to see what support is available.

Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the [Year 11 Extra Tuition Timetable](#) for more information.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day.

If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum.

This needs to be brought into school every day in a school bag to ensure it is kept safe. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at the Ready to Learn Hub for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

School Policies & Documents

Parents can access the latest school policies and important documents on the [policies page](#) of our website.

This includes our behaviour and expectations policies, which outline how we promote a safe, inclusive and positive learning environment and support high standards of conduct for all pupils.

Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select "Translate" from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.

10 Top Tips for Parents and Educators

BUILDING SCHOOL-READY LANGUAGE SKILLS

Oral language is fundamental to children's learning, literacy, and social and emotional development, with long-term impacts. As language develops rapidly between the ages of three and six, early, evidence-based support is essential. This guide offers practical ways to help the children in your care become confident communicators, including through proven approaches such as the DfE-funded NELI programmes available to settings in England.

1 BUILD ORAL LANGUAGE

Support children to use language, not just hear it. Give them the time to talk, respond, ask questions, and share their ideas. Everyday conversations, shared activities, and reading together help children practise both speaking and listening. At nursery or school, programmes such as NELI can help build their vocabulary, storytelling, attention, and listening skills, helping children grow in confidence as communicators.

2 SUPPORT LISTENING SKILLS

Help children to listen and follow simple instructions during everyday routines. Break instructions down into short, manageable steps and check their understanding. For example, say, "Please put your coat on," rather than giving them several instructions at once. Strong listening skills support learning, attention, and participation at school.

3 GROW THEIR VOCABULARY

Talk with children about the world around them, naming objects, actions, and feelings. Use a wide range of words during everyday activities such as shopping, cooking, and playing. Repeating and explaining new words help children understand and use vocabulary more confidently, supporting their comprehension and communication.

4 SHARE STORIES TOGETHER

Read storybooks together regularly and talk about characters, events, and illustrations. Ask simple questions such as "What's happening here?" and validate children's responses with positive feedback. Acting out stories together, asking open questions, and giving children the chance to be the storyteller can all support their narrative skills and confidence.

5 NAME DIFFERENT FEELINGS

Help children learn to express themselves by talking about different feelings and naming them clearly, such as happy, sad, or angry. Visuals and role play can support their understanding of this. Being able to express their feelings verbally helps children build positive relationships with adults and peers, reduces frustration, and supports their social development as they prepare for school.

6 WORK WITH SETTINGS

Strong communication between home and the nursery, school, or early years setting can help children feel more confident and supported. Parents can visit the setting with their child before they start, helping them become familiar with the environment and key adults. Educators can share relevant information with families and colleagues, so each child's needs are understood. Newsletters can also help families continue language learning at home.

7 SPOT LANGUAGE NEEDS

Children develop their language and communication skills at different rates, so early conversations between home and settings are important. If parents have concerns, they should speak to their child's nursery, school, or early years setting. Educators can use tools such as LanguageScreen, included in the NELI programmes, to build a profile of a child's speaking and listening skills and help identify suitable support.

8 EVIDENCE-BASED SUPPORT

Prioritise language and literacy approaches that are underpinned by robust research evidence. Evidence-based programmes help ensure children receive support that is more likely to make a meaningful difference. The Education Endowment Foundation (EEF) provides guidance on the strength of evidence behind different strategies, supporting informed decision-making and effective use of school time and resources.

9 MEET INDIVIDUAL NEEDS

Settings can use evidence-based assessment tools to understand children's language skills and identify where support may be needed. These tools support SEND reforms, and strengthen whole-setting language development, helping children receive support that reflects their individual communication needs.

10 TAKE PART IN RESEARCH

Research trials can give schools, early years settings, and families a valuable opportunity to contribute to evidence construction and future policy. Parents may be asked to give consent, share feedback, or support activities at home, while educators help deliver and monitor approaches in practice. The EEF often has trials that settings can join, including whole-class oral language programmes designed to support children's communication development.

Meet Our Expert

OxEd is a University of Oxford spinout company specialising in early language and literacy assessment and intervention. They are the delivery team for the Nuffield Early Language Intervention (NELI) programme in reception, funded by the Department for Education for schools in England, and for NELI Preschool, which supports nurseries to strengthen children's early language development through evidence-based practice.
