Mellors's Catering Services - Our New School Meals Caterer

WELCOME TO MELLORS CATERING SERVICES

Your School Meals Caterer.

Mellors is a proud, family-run education caterer with a passion for serving up seriously tasty, wholesome meals in schools and further education settings. With over 350 sites across the North, Midlands, and beyond, we're all about bold flavours, exciting menus, and memorable foodie experiences – right down to the very last crumb!

We're here to transform your school dining. From our "wheelie" fun Tuk Truck serving global street food (no passport required!) to a range of creative foodie initiatives, we offer more than just great meals!

Our meals are made fresh from scratch using quality ingredients, sourced from over 30 trusted local suppliers – delivering even more flavour, packed with nutrients, and full of goodness.

We're committed to providing nutritionally balanced meals that don't cost the earth. At Mellors, we don't just fill plates – we "Fuel Minds and Nourish Futures."

2286 Coventry Road, Sheldon, Birmingham, B26 3JR
- **Clive Mark Schoolwear (Wylde Green)**
409-411 Birmingham Road, Wylde Green, Birmingham, B72 1AU

Personal Development Curriculum

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9. The [Personal Development Curriculum from September 2026 to July 2027](#), with a list of topics, is available on the school website.

If you would like to discuss our Personal Development & Tutor Time curriculum, please email personaldevelopment@hodgehill.bham.sch.uk and a member of staff will be in contact to arrange a meeting.

Key Stage 3 Assessment and Core Vocabulary Booklets

This term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

[Year 7](#)

[Year 8](#)

[Year 9](#)

Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year on the [curriculum page](#) of our website.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

Top Tip!

Fastening buttons

When learning to fasten buttons children can engage in games to develop the skills, they need to be able to fasten buttons. For some activity ideas scan the QR code.

When learning new skills, it is important to involve the child's interests. Think about how you can bring in their favourite characters, TV shows or films into games.

Contact Us!

OT Advice Line: Parents, professionals and education staff can contact the OT advice line to gain OT advice and signposting on children's OT needs.

OT Website:

www.bhamcommunity.nhs.uk/paediatric-occupational-therapy

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Is my child too ill for school?

We know that, at certain times of the year, children pick up bugs and illnesses. However, please remember that children can come to school with some illnesses if they feel well enough. The NHS guidance can be accessed online via the [NHS Guidance](#) page.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office. A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

FAQs & More Information

- Call the School Office: 0121 783 7807

Free School Meals

Who is eligible for Free School Meals?

Your child may be able to get free school meals if you get any of the following:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit

Please note from September 2026, all pupils in households receiving Universal Credit will be entitled to free school meals, regardless of income level.

Apply for Free School Meals

We encourage you to [apply for Free School Meals](#) through the online service found on our website. You can also telephone (0121 783 7807) or come into school and complete a Free School Meals application online with a member of staff if you prefer.

Please make sure you have the National Insurance Number with you for the named person who receives either working tax credit/child tax credit and we will be happy to help.

Weekly Lunch Menu

The [school lunch menus](#) are available to view on our website and provide an overview of the menu items that will be served each day.

MAKE SAVINGS BY CLAIMING YOUR FREE SCHOOL MEAL

FREE SCHOOL MEALS (FSM)

Your child may be entitled to a Free School Meal. **However, with FSM you will need to apply.** The link on this sheet is for your local authority (search your postcode) and there is information from the Government website about FSM. Your child's school will also have an application form, if you prefer to complete it by hand.

Each day, your child can choose a hot meal from the menus or a sandwich, served with dessert, fresh fruit or yoghurt.

save up to £495 per year per child
on school lunches.

Studies show that 55% of parents felt their children
tried new, healthier foods
on school meals.

84% of parents reported improved
household finances.

Menus are available on the school website, and our Catering Manager is happy to discuss any food allergies, intolerances or dietary requirements.

DO YOU RECEIVE ANY OF THESE?

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration & Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (restrictions apply)
- Working Tax Credit run-on
- Universal Credit – **NEW eligibility criteria takes effect September 2026.** All households receiving Universal Credit will be able to access free school meals (previously capped at £7,400 income).

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on [MyEd](#) to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's [Behaviour in Schools](#) page.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the [uniform page](#) of our website.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the [tuition page](#) of our website.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broaden their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

More information and the activities timetable are available on the [extra-curricular page](#) of our website.

Anxiety

We all experience anxiety at times; it's a completely natural reaction to situations that make us feel vulnerable, scared, nervous or worried, such as exams or job interviews.

Sometimes though, these tense feelings can start to creep into your everyday life, making it difficult to do regular things like socialising or going to school or work. When anxiety gets to this point, it can be really overwhelming and can leave you feeling very down.

Visit the [Forward Thinking Birmingham](#) website for more information, when to seek help and to see what support is available.

Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the [Year 11 Extra Tuition Timetable](#) for more information.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day.

If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum.

This needs to be brought into school every day in a school bag to ensure it is kept safe. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at the Ready to Learn Hub for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

School Policies & Documents

Parents can access the latest school policies and important documents on the [policies page](#) of our website.

This includes our behaviour and expectations policies, which outline how we promote a safe, inclusive and positive learning environment and support high standards of conduct for all pupils.

What Parents & Educators Need to Know about ROBLOX

WHAT ARE THE RISKS?

Roblox is an online platform where users can play and create games known as 'experiences' made by other users. Roblox has a large UK audience. ITV News has reported that millions of people in Britain use the platform regularly, with children forming a significant proportion of its users. The sheer scale of it makes it extremely difficult to moderate effectively, creating risks for unsupervised children, though a June 2026 update has improved things greatly.

A PLATFORM RATHER THAN A GAME

Roblox differs from traditional video games in that it hosts millions of user-created experiences rather than a fixed set of developer-produced content. Each experience is self-rated by its creator rather than independently age-rated in advance, as is the case with PEGI-rated games. With millions of user-created experiences, moderation is largely automated which means that inappropriate content may reach younger players and have a harmful effect.

RISK OF ADDICTION

Roblox encourages repeated and extended play. Many experiences are made of short tasks, rewards, and progression systems that can prompt users to keep playing for longer periods of time. Some games also use reminders, daily rewards, or timed events to encourage frequent logins. These designs can make it difficult to stop playing. Spending long periods online may affect sleep, schoolwork, or other activities if boundaries are not in place.

IN-GAME SPENDING

Roblox is free to play, but many experiences and cosmetics include optional purchases using Robux, the platform's virtual currency, to get advantages in games. This business model is common across online games, but reporting has highlighted cases where children have spent large amounts of money unintentionally or without understanding the real-world cost.

MATURE CONTENT

With much of Roblox's moderation out through AI and creators self-certifying suitability, inappropriate content frequently appears on the platform. Some experiences may include content intended for older players. As of June 2026, Roblox defaults to only showing games from trusted developers to under 15s, following tests with older players to filter out riskier content. But these automated systems are not infallible, and younger players may encounter content you deem unsuitable.

COMMUNICATION WITH OTHER USERS

Roblox includes text and voice features that allow players to chat in shared game spaces. While the platform uses automated filters and moderation tools, media investigations have found that inappropriate and potentially harmful messages can still get through. There are risks that children could be targeted by groomers. In a June 2026 update, Roblox changed its default settings to prevent under 8s from chatting entirely, with gradual relaxation of restrictions between the ages of 9 and 15. The platform plans to use facial age-estimation technology to enforce these rules.

Advice for Parents & Educators

USE PARENTAL CONTROLS

Roblox's parental controls provide an important starting point. Linking a child's account to an adult account allows parents to apply spending controls, limit communication features, and review recent activity. Regular supervision, use of parental controls, and conversations with children about what they see online can help reduce the risk of exposure to inappropriate content.

CONSIDER LIMITING OR DISABLING CHAT

Although Roblox has introduced tighter age-based chat restrictions, some parents and educators may prefer to disable chat entirely to avoid the risk of stranger danger. This is the default for under 8s, but can be applied for any account up to the age of 15. Children can still play games while communicating with friends they know through other platforms, such as Discord.

PLAY TOGETHER WHERE POSSIBLE

Playing Roblox with a child can help adults understand the types of experiences available, how monetisation works, and how children interact online. This shared engagement can also make it easier for children to raise concerns if something feels wrong. Parents and educators should monitor all games played on Roblox due to its largely self-rating nature.

ENCOURAGE OPEN CONVERSATIONS

Many Roblox experiences are creative and age appropriate, and for many children, the platform is an important way to socialise with friends. Rather than banning it outright, parents and educators should talk openly with children about online safety, spending, and how to respond to inappropriate behaviour.

Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select **"Translate"** from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.
