ParentMail

Hodge Hill College is moving from the MyEd app to a new communication platform called ParentMail from Tuesday 10 November 2026. Once the transition is complete, you'll receive a notification through MyEd confirming the change, along with a link to download ParentMail from your app store.

You're welcome to download the app as soon as you receive this notification:

- Apple Devices: Download it directly from the Apple App Store
- Android Devices: Download it directly from the Google Play Store

Please note that downloading the app alone won't give you immediate access. We need to send you an activation invite first, which we'll do as quickly as possible after the migration. Don't worry if you can't sign in straight away – this is completely normal.

When you receive your invite, simply follow the step-by-step instructions to complete your account setup.

If you have any questions in the meantime, please contact the school for further support.

Important Change to Pupil Absence Reporting

From Monday 9 November, we are introducing a new process for reporting pupil absences by phone. You will no longer be able to report absences through our School Office team.

Please follow these updated steps:

1. Call the school as normal on 0121 783 7807
2. Press Option 1 to report a pupil absence
3. Select the Year Group of your child

This will route your call directly to the Assistant Achievement Coordinator (AAC) for that specific year group.

- If there is no answer: Please leave a voicemail. The AAC will call you back later that day
- If you have multiple children absent: You only need to make one call. Please state the names and year groups of all absent children in your conversation or voicemail
- Incorrect routing: Any absence calls through to School Office will be transferred to the AAC. If a transfer is not possible, you will be asked to redial and select the correct option

Supporting Your Child Through Exam Success

We would like to invite you to our upcoming Supporting Your Child Through Exam Success workshop, designed specifically for families of Year 11 pupils.

The session will provide you with the practical tools and insights needed to confidently navigate the exam season together. During the workshop, we will cover:

- Home Revision Strategies: Practical advice on creating an effective study environment.
- Effective Techniques: Live demonstrations of active revision methods that work.
- Free Resources: Access to high-quality online revision platforms.
- Revision Equipment: Essential physical tools provided to help your child get started straight away.

Event Details:

Please choose and attend one of our two available sessions:

- Session 1: Wednesday 18 November 2026 (10:45 am – 11:45 am)
- Session 2: Thursday 19 November 2026 (3:30 pm – 4:30 pm)

Refreshments (tea, coffee, and biscuits) will be provided at both sessions.

Places are strictly limited and will be allocated on a first-come, first-served basis.

🔗 To secure your place, please complete our Online Booking Form as soon as possible and select your preferred time slot.

In-Class Assessments

Information about upcoming in-class assessments is available on our website and is organised by Year Group, Subject and Date. The schedule is intended to help pupils and parents plan ahead, support effective revision, and ensure that pupils are aware of key assessment points throughout the academic year. While these assessments form part of normal classroom learning, advance notice allows pupils to prepare appropriately and develop good study habits.

Parents and carers are encouraged to review the information with their child and support them in maintaining a consistent approach to homework, revision and attendance.

Please note that assessment dates may occasionally be amended due to curriculum or operational requirements. We therefore recommend checking the webpage regularly for the most up-to-date information.

Is My Child Too Ill for School?

As we move into the autumn and winter months, we recognise that seasonal illnesses can make maintaining good attendance more challenging. However, every school day matters, and regular attendance is essential for pupils to achieve their full potential, build positive relationships and make the most of their education. The table below has been designed to help you decide if your child should or should not attend school. If you are unsure whether your child should attend, please contact the school for guidance.

By working together, we can minimise unnecessary absence, maintain high expectations and ensure every pupil has the best possible opportunity to succeed.

Is My Child Too Ill for School?	
When to come to school	Your child should come to school on time if they have any of the following: • Sore throat • Cold • Headache • Cough • Feeling tired • Feeling sick • Achy or sore limbs These symptoms are normally worse in the morning. However, once a child is ready and in school, they normally feel much better. Pupils should let their AC or AAC know they are not feeling well so a check in can be completed with the pupil throughout the day. There is no requirement for parents/carers to contact the school regarding this type of illness.
When to come to school but inform the school first	Your child should come to school on time if they have any of the following: • Stomach-ache – we can potentially issue a temporary toilet pass • Earache • Toothache • Twisted, sprained or broken limbs – we can utilise the LRC & The Bridge to ensure learning continues during recovery • Slightly high temperature If your child is experiencing any of the above symptoms, please contact the school in the morning. Pupils should let their AC or AAC know they are not feeling well so a check in can be completed with the pupil throughout the day. If your child is experiencing feelings of anxiety or displaying general unwillingness to attend school, it is important they still attend school. Our Pastoral Team can meet with the pupil to discuss their concerns and provide support. This may also include a parental meeting.
When to stay at home	We appreciate that there are occasions when your child will be too unwell to attend school. If your child is experiencing any of the following, please do not send them to school: • Temperature over 38 degrees • Sickness and diarrhoea • Contagious illnesses such as chicken pox, impetigo, measles Medical evidence should be provided to the school to ensure that the absence can be authorised. Failure to provide this evidence will result in the absence being unauthorised. Parents/carers should inform the school each morning that their child will not be in school.

Zero Tolerance

Please note that Hodge Hill College operates a zero-tolerance policy about verbal and physical aggression.

If you become abusive towards a member of staff, we will need to:

- Close down any conversation and not speak with you any further
- Ask you to leave and come back another time
- If necessary, call the police for assistance

Please be respectful of our staff in the School Office team. They will do their best to help you but in a large school with several buildings, over 150 members of staff, and approximately 1200 pupils, they may not always be able to find out what you want to know or locate a member of staff immediately, so please be patient.

Medical Appointments During the School Day

In order to ensure that your child's learning is not disrupted, it is strongly recommended that non-urgent GP, dentist, or optometrist appointments are scheduled outside of school hours.

If your child has a hospital appointment or requires specialist medical care, please inform the school in advance. You can do so by sending a photo of the appointment letter via MyEd or by submitting it in person to the School Office.

A copy of the letter will then be sent to your child's AC and AAC to authorise the absence.

Medication

As a parent or carer, it is your responsibility to provide the school with accurate and updated information regarding your child's medical needs. You should also be involved in developing and reviewing your child's individual healthcare plan.

If your child has any medical needs or needs to take medication during school hours, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication that needs to be kept in school.

If your child has asthma, we highly recommend that they always carry an inhaler with them. Please provide us with an inhaler by dropping it off at the School Office in case of any emergencies, and completing the consent form.

Contact Details

Please remember to inform the school of any changes to your contact details.

This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event.

Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

Confiscated Items

If a pupil has an item confiscated, their parents/carers can pick it up from the School Office after school on the same day between the following times:

- Monday: 16:10-16:45
- Tuesday to Thursday: 15:10-16:00
- Friday: 13:40-14:30

If parents/carers cannot collect it on the same day, they must pick it up on another day after school. Pupils are not permitted to collect the item.

Weekly Lunch Menu, Deals & Price List

Wondering what's for lunch? You can find our full menus, price lists, and meal deals on our website. Take a look today for a daily breakdown of our fresh and healthy school meals! View school lunch menus and pricing.

ParentPay

ParentPay enables parents/carers to make secure payments for their child's lunches and school trips.

ParentPay Activation

When pupils join Hodge Hill College, parents/carers are issued with a ParentPay Activation Letter that contains a temporary ParentPay username and password. As part of the account activation, the parent/carer will need to choose an email address and new password to use with ParentPay. Parents/carers should follow the instructions in the letter, and on www.parentpay.com to successfully activate their account. If you have more than one child at our school or have children in other schools that use ParentPay, you can create a single account to manage them all.

Forgotten Password

If a parent/carer can't get into their ParentPay account, they should go to www.parentpay.com > For Parents > Parent Login, and click on the "Forgotten password" link. Parents/carers should not need to contact school to regain access to ParentPay accounts.

Outstanding Balances

If you have an unpaid balance on your child's ParentPay account, we kindly request you to settle it as soon as possible by logging into your account. Your child will need to bring their own packed lunch and they will not be able to use the school canteen until the account is topped up and the debts have been cleared.

If you need help with adding credit to the account, please visit the School Office with your debit card.

Free School Meals

Who is eligible for Free School Meals?

Your child may be able to get free school meals (daily allowance of £2.70) if you get any of the following:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no
- more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit

Please note from September 2026, all pupils in households receiving Universal Credit will be entitled to free school meals, regardless of income level.

Apply for Free School Meals

We encourage you to apply for Free School Meals through the online service found on our website. You can also telephone (0121 783 7807) or come into school and complete a Free School Meals application online with a member of staff if you prefer.

Please make sure you have the National Insurance Number with you for the named person who receives either working tax credit/child tax credit and we will be happy to help.

Personal Development Curriculum

As a part of your child's education at Hodge Hill College, we promote personal well-being and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potential.

Our PSHE programme is delivered through form-time activities to all year groups and through our Personal Development weekly lessons to pupils in Years 7, 8 and 9. The Personal Development Curriculum from September 2026 to July 2027, with a list of topics, is available on the school website.

If you would like to discuss our Personal Development & Tutor Time curriculum, please email personaldevelopment@hodgehill.bham.sch.uk and a member of staff will be in contact to arrange a meeting.

Key Stage 3 Assessment and Core Vocabulary Booklets

This term's assessment and core vocabulary booklets are linked below. These booklets feature key vocabulary that pupils will learn this term, along with definitions. They are organised by subject area for easy reference. This will support pupils in their comprehension and language development.

Year 7	Year 8	Year 9

Curriculum Handbook

You can find detailed information about the curriculum and the specific subjects and skills your child will be learning each year on the curriculum page of our website.

Uniform Donations

Throughout the year, we kindly request your help in supporting other families in need. If your children have outgrown their old school uniforms, please consider donating them to the School Office. We will collect all donated uniforms and distribute them to pupils who would greatly benefit from them. Even a single donated item can make a significant difference.

We are happy to accept donations of new uniforms too. Whether gently used or brand new, your contributions are greatly appreciated.

Please make sure to wash any used uniforms before donating and ensure they are in good condition. You can send the uniforms with your child or drop them off at the School Office yourself. We appreciate anything you can provide to help clothe and equip pupils whose families are facing financial difficulties.

Together, we can ensure that all our students feel comfortable, confident, and ready to learn.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
  - any school day where the student does not have permission to be absent
  - weekends - except the weekend preceding or following the half-term break
  - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

This guidance is available on the Government's Behaviour in Schools page.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

Our full school uniform and PE kit list can be found on the uniform page of our website.

Year 11 After-school Tuition

We have introduced a comprehensive new tuition model to support Year 11 pupils' academic progress. Pupils requiring additional help are identified early through mock exams and subject-led assessments.

Teachers use focused tuition sessions to provide targeted support in small groups. There are dedicated after-school sessions each week for Maths, English, Science, and other core subjects. Those making significant progress can move out of the tuition program, while those who require further support may receive more intensive interventions with subject specialist teachers.

This multi-layered approach aims to collect and utilise data effectively, allowing teachers to adapt and personalise tuition to meet individual pupils' needs throughout the academic year.

This timetable is available on the tuition page of our website.

Extra-curricular Activities & Clubs

At Hodge Hill College, our enrichment and extra-curricular provision provides our pupils with a breadth and balance of activities designed to broad their horizons, allowing them to develop their own interests and talents. The programme is an extension of the school's curriculum and builds on our CARE brand whilst instilling British Values.

We offer quality provision which provides our pupils with a number of opportunities to develop their resilience, character and performance. Our sports provision has continued to improve to develop pupils physically and mentally.

Please note, that all pupils must sign in at reception upon arrival for before-school sessions each morning.

More information and the activities timetable are available on the extra-curricular page of our website.

Loneliness

Everyone feels lonely from time to time but if you have limited social support or a lack of healthy relationships, it can really start to get you down.

You might find yourself feeling isolated, rejected or abandoned.

Loneliness can be a difficult to thing to deal with. Although it's not a mental health problem in itself, loneliness can often cause or be the result of a mental health issue. There are a number of ways to tackle loneliness.

Visit the Forward Thinking Birmingham website for more information, when to seek help and to see what support is available.

Year 11 Extra Tuition Available Throughout the Week

We are pleased to offer extra tuition sessions for Year 11 pupils throughout the week to help support their learning and exam preparation. We encourage all parents to check the Year 11 Extra Tuition Timetable for more information.

Absence Reporting

If your child is going to be absent from school, please let us know before 08:30. You can do this by sending an in-app message (free of charge) to the Absence Hotline via our MyEd app or calling 0121 783 7807.

Parents/Carers may be asked to provide medical evidence where there are repeated absences due to reported illness.

Punctuality

All pupils must arrive on time each day to run the school efficiently. Pupils are expected to be on school premises by 08:30.

The Key Stage 3 and 4 gates will close at 08:37, and any pupil who arrives after this time will need to sign in via the School Office.

If a pupil is late for school, they will receive a 30-minute detention on the same day. Similarly, if a pupil is late for a lesson, they will receive a 30-minute detention on the same day.

If a pupil is marked late more than once in a day, the detention time will be increased on the same day.

Learning Wallets, School Bags & Equipment

All pupils have been given a learning wallet containing the equipment they need to bring to school to support their access to the curriculum.

This needs to be brought into school every day in a school bag to ensure it is kept safe. Failure to bring in the learning wallet or school bag will result in a 60-minute detention.

If pupils lose any of their equipment, they are responsible for replacing it. Stationery items are available for purchase at the Ready to Learn Hub for a nominal amount of 10p per item (cash).

If your child needs to replace their calculator, you can either provide one or purchase a new one through ParentPay/the School Office for £15 (cashless).

Empty learning wallets are also available to purchase through ParentPay/the School Office for £1.70 (cashless).

School Policies & Documents

Parents can access the latest school policies and important documents on the policies page of our website.

This includes our behaviour and expectations policies, which outline how we promote a safe, inclusive and positive learning environment and support high standards of conduct for all pupils.

Translate Our School Website Using Google Translator on Chrome

If you need help understanding information on our school's website, Google Chrome has a built-in translation feature that can translate the pages into your preferred language.

To use this, first make sure you have the latest version of Google Chrome installed on your device. Then navigate to our school's website and click on the three-dot menu icon in the top right corner of Chrome. Select "Translate" from the menu. This will bring up a sidebar where you can choose which language you want to translate the page into. Click on your desired language and Chrome will automatically translate everything on the webpage.

The translation may not be completely perfect, but it should help convey the key information and allow you to understand important updates from teachers or the school administration.

This feature works for dozens of popular languages - just select the one you feel most comfortable with.

Top Tips for Educators

PUPIL WELLBEING CONVERSATIONS

It can feel difficult to know how to start a conversation with a pupil about their wellbeing, either because you do not feel equipped with the information you think you need, or because you do not feel confident opening it up. You do not need to be a specialist. This guide covers how to start, what to say about confidentiality, and what to do with what you hear.

1 NURTURE WARM, TRUSTING, & KIND RELATIONSHIPS

When pupils have a consistent, emotionally available adult who shows they care and who holds them in mind, they thrive. They are also far more willing to open up and seek support. Positive, trusting relationships are an important part of supporting pupil wellbeing and complement more formal wellbeing programmes or sessions.

2 KEEP CALM, EVEN IF YOU'RE WORRIED

When a pupil discloses, stay calm while showing that you take it seriously. Panic can raise their anxiety and teach them that telling an adult makes things worse. Your steadiness can help them to keep calm and give them enough space to say the rest. Calm does not mean unmoved, and it is fine to tell them that what they have said is important and will be heard.

3 HAVE SIDE-BY-SIDE CONVERSATIONS

Many pupils find it easier to talk when a conversation does not require them to sit face to face with an adult. For example, conversations might take place while walking, tidying the classroom, or taking part in a lunchtime club. Sitting alongside someone removes the demand of eye contact, allows longer thinking time and lowers the intensity of the exchange. This can be particularly true for neurodivergent pupils, and for anyone who needs a moment before answering.

4 THINK ABOUT WHERE YOU ARE

Consider whether the pupil can speak without being overheard or interrupted. If a pupil has already started talking, avoid unnecessarily disrupting the conversation by moving elsewhere. Where a more appropriate location is needed, explain why you need to move and give the pupil the opportunity to continue what they were saying.

5 BE HONEST ABOUT CONFIDENTIALITY

Never promise to keep information to yourself. Schools have a legal duty to share information relevant to a pupil's safety or welfare. Tell them at the start that you may need to pass something on, and who to. Then involve them in what happens next, as far as their age and understanding allow. Ask what they want to happen, what they want to say, and who they want to be told. Be honest that some things will need to happen whether they agree or not. A pupil who helped shape next steps is far more likely to tell someone again.

6 CREATE A SAFE ENVIRONMENT

Provide a classroom free from belittling and shame-based behaviour management. Pupils who expect to be humiliated will not disclose. Where they feel listened to and see that difficulties are acted upon, they share worries earlier and whilst those worries are still small. If pupils hear adults belittling or talking about other pupils openly, it damages trust and they are likely to assume their worries will also be handled this way.

7 DO NOT CARRY IT ON YOUR OWN

Hearing something difficult can stay with you. When informing your designated safeguarding lead, share with them how it left you feeling and whether you feel you need further support. Your role as a trusted adult is what makes all of the above possible, and just as you have a responsibility to protect pupils' welfare, your school has a responsibility to protect yours.

HELPFUL OPENERS

- I've noticed you've been quieter. How's your week been?
- You don't seem your usual self, when might be a good time to catch up today?
- Sometimes it's hard to know what to say, but I'd like to understand?
- You don't have to talk now. I'll check in with you later?
