### Year 11 After School Tuition Sessions

Dear Parent/Carer,

The academic year at Hodge Hill College starts in June as we return from the May half-term break. From Monday 5 June 2023, Year 10 pupils are now in Year 11 and will start the final year of their GCSE curriculum. This ensures that all pupils get maximum opportunity to develop the skills required to be successful in their GCSE exams.

Year 11 is one of the most important years in your child's education. It takes hard work and resilience to be successful and achieve the grades that lead onto the next steps.

To ensure that our pupils reach their full potential we are running **compulsory** tuition masterclass sessions this term. They will take place every **Thursday** from **2:30pm - 3:30pm**. All pupils are expected to attend every week.

Date	Subject(s)
8 June 2023	Science
15 June 2023	RE and Science
22 June 2023	History and Maths
29 June 2023	Geography, Computer Science and Science
6 July 2023	Maths

Attendance is vital to ensure that all pupils get the advice and practise to prepare them for the exams. These tuition masterclass sessions will encourage 'independent learning' from our pupils which will help prepare them for life at college and further education. They will also support pupils with their revision for their upcoming mock exams which begin on **Thursday 22 June 2022**.

We appreciate your support with this. If you have any queries, please contact Mr Ahmed on 0121 783 7807.

Yours faithfully,

*L Millington*
