Our Community and the Cost of Living

Now more than ever, with the rising cost of living, many families are feeling the squeeze. As a school, we are actively seeking to do whatever we reasonably can to support our students and their families with these rapidly growing pressures.

We are continuing to open West Canteen to pupils every morning before school between 8:00am and 8:30am to provide a free breakfast including toast and hot drinks. Please encourage your child to attend this, particularly if they arrive early to school in the morning, as it is a supervised space with access to games and other activities.

If you are facing particular hardships, please feel free to get in touch with us here at Hodge Hill College at householdsupport@hodgehill.bham.sch.uk. All requests will be treated with the utmost confidentiality and we will look at what support we are able to practically provide. Previous support has included supermarket vouchers, new uniform, school shoes and PE kit.

Further information about support being provided by Birmingham City Council for the cost of living crisis can be found on <https://www.birmingham.gov.uk/livingsupport> and this may be of use to you in signposting where you can get help, support, and advice if you are affected.

We have a second-hand store of pre-loved uniform items, all washed and ready if you need them. Please get in touch with the school at the email address above if you would like to take advantage of this.

New Year 8-10 Pupil Leaders

Next week, students in New Year 8-10 will be able to apply to become a Pupil Leader.

This is an important role as they will participate in various workshops to develop their leadership skills. They will also have regular meetings with the Headteacher to address school concerns and enhance the overall experience for all students at Hodge Hill College.

Please encourage your child to apply and feel free to contact the school and request to speak with Mr Stewart if you have any questions.

Performance Learning and Hodge Hill College

Dear Parent/Carer,

We are delighted to announce that we are now a partnership school with Performance Learning and will be delivering Performance Learning digital learning to your child. The Performance Learning Platform is a cutting-edge technology delivered alongside the school curriculum to support your child's well-being and academic performance.

The Performance Learning Platform is built to nurture mental health and well-being while providing a more intelligent, personalised take on traditional skills training. It's currently used by thousands of students across the world. Using a skills-based approach to learning, we help transform and sustain a learner's performance in the classroom and exam hall.

Performance Learning is founded on four elements: Memory; Sleep and Wellbeing; Time-Management and Self-Leadership. These elements are taught and practiced, through a series of digital skill pathways. The first step in Performance Learning's partnership with Hodge Hill College is for your child to complete a short computer-based questionnaire we call Foresight. Foresight consists of the following categories:

- Sleep and energy - this looks at how they sleep, their energy as well as how they feel
- Classwork - this looks at how they feel in class and areas such as maths, writing, and memory
- Goals - this looks at their goals and what they want to achieve most in class and school

After completing Foresight, your child will access a series of hyper-personalised digital skill pathways. These pathways focus on teaching your child specific skills as identified through Foresight to best support their needs.

We very much look forward to working with Performance Learning.

If you have any questions about the partnership, please do contact me on 0121 783 7807.

Yours faithfully,

C Southern

Contact Details

Please remember to inform the school of any changes to your contact details. This is important because we may need to contact you if your child is injured or taken ill, to provide you with information about trips and closures or to send you reminders and cancellations of any event. Please update and submit any new details via the Change of Pupils Details Form on the MyEd app. Alternatively, you may visit the School Office to complete an electronic/paper copy of the form.

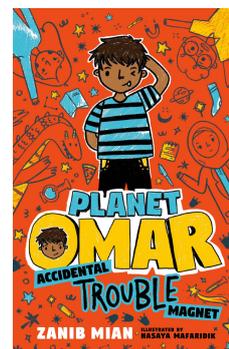

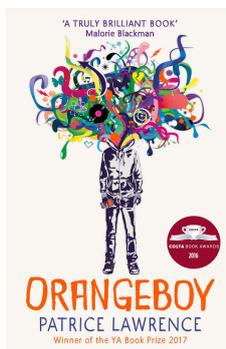

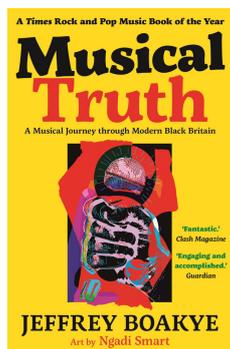

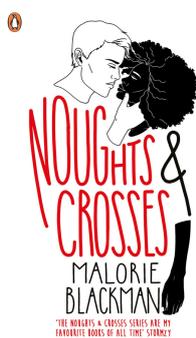

Reading at School

Hodge Hill College offers a unique reading lesson to students in Years 7 and 8, where they acquire new vocabulary, read together as a class, and engage in various activities to ensure comprehension. Our school is dedicated to increasing reading in all subjects, with a particular focus on Key Stage 3. We have also implemented a Reading Reward badge on Class Charts to recognise students' reading efforts in all classrooms. Moreover, our school has an impressive library with books categorised by genre, including ones that celebrate diverse cultures, sci-fi and horror, dystopian novels, and non-fiction books.

Reading at Home

We kindly request your assistance in promoting reading at home by encouraging your child to read more. Allow them to choose what to read as they will be more engaged in the story if they have selected it themselves. Reading with them, listening to them reading, and reading to them are all effective ways to foster a love for reading. Additionally, incorporating reading into everyday activities such as having your child read out the recipe while you cook or the TV listings while you watch TV is a great way to encourage reading. You can also read yourself, whether it's a newspaper, magazine, cookbook, poetry, romance or detective novel. Consider giving books as presents and suggest your child and their friends swap books to read new stories and discuss them. Finally, visiting the local library together is an enjoyable way to discover new books and keep an eye out for special author events at the library or local bookshops. Your child will undoubtedly love meeting their favourite authors.

Medical Appointments During the School Day

To ensure your child does not miss out on learning, we strongly advise that non-urgent appointments at the GP, dentist or optometrist are made out of school hours.

If your child has a hospital or specialist appointment, please notify the school in advance. You may do this by sending a photo of the letter via MyEd or bring it to the School Office where a copy will be sent to your child's AC and AAC for authorisation.

Detentions

Hodge Hill College operates a detention system. If your child is late, misbehaves or doesn't hand in their homework on time, they will be given detention at lunchtime or up to 30 minutes at the end of the day. You will usually get a text or an in-app message on MyEd to inform you. Please ensure your contact details are up to date. For more serious matters, staff can issue an hour's detentions after school without giving parents/carers notice.

What the Law Allows

- Teachers have the power to issue detention to students (aged under 18)
- Schools must make clear to students and parents/carers that they use detention (including detention outside of school hours) as a sanction
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - any school day where the student does not have permission to be absent
 - weekends - except the weekend preceding or following the half-term break
 - non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'
- Parental consent is not required for detentions
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances

The Government's summary on behaviour and discipline in schools can be read online at: <https://bit.ly/39yoRFb>.

ParentPay

Cashless Payments

We operate a biometric cashless catering system in school. In addition to school meals, we do not accept cash payments for trips or uniform (ties, badges and hijabs).

Activation

If you are yet to activate your ParentPay account, please do so as soon as possible. If you would like another copy of the activation letter with your username and password, please call us on 0121 783 7807 or send a message via MyEd.

Outstanding Balances

If you have an outstanding balance on ParentPay for your child, we would appreciate if you could arrange for it to be paid immediately by logging into your account.

If you would like assistance with activating your account or adding credit, please visit the School Office between the following times (term-time only) along with your debit card:

- Tuesday to Thursday: 3:00pm-4:00pm

Medication

It is the responsibility of parents/carers to provide the school with sufficient and up-to-date information about their child's medical needs and be involved in developing and reviewing their child's individual healthcare plan.

If your child has any medical needs or is required to take medication during school hours and you are yet to inform us of them, please visit the School Office to complete a Parental Medical Consent Form and drop off any medication you would like us to keep in school.

If your child has asthma, we advise that they always carry an inhaler on them. Please drop an inhaler at School Office for us to keep in case of emergency and complete the consent form.

Uniform & Standards

As part of the school's continued drive to improve standards, we would like all pupils to consistently adhere to the expectations on appearance, conduct and equipment. We are a professional environment and as such, we need all pupils to look smart, professionally conduct themselves and come equipped for their learning.

If a pupil does not meet the standards consistently, they will sit a 30-minute detention. We must have your support to raise our standards collectively. Please can we remind you that pupils are not permitted to wear nose studs and patterns and lines are not to be shaved into hairstyles or eyebrows.

If there are any problems in acquiring uniform, please contact the school and we will endeavour to work with you to address these issues. Such cases will be treated with due sensitivity and confidence.

School's out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games.
